## THE CAUCASIAN.

#### Baleigh, N. C., February 10, 1898

The Democratic executive Conmittee will hold a meeting in Raleigh on February 22.

seekersafter gold are often disappointed, Seckers after health take Hood's Sarsaparilla and find it meets every expectation.

The Board of County Commissioners met in regular session Monday and Tuesday of this week. Routine busi-ness was transacted. Mr. J. J. Rogers and Mr. J. C. L. Harris were appointed. a committee to examine the claims against the special road tax fund for Raleigh town-hip.

Articles of agreement were filed with the Socretary of State for the formation of the Worth Company. The business proposed is a general merchandise huriness, leasing and selling lands, and property of all kinds. The place of business is Wilmington. The apital stock is not to exceed \$500,000. The number of shares subscribed is 1,-000 and the amount of each share is

Mr. John Up church, catton weigher, met with a serious accident Monday. which may result seriously. Mr. Up. church was squatting on the ground by a wagon looking over his book when the team suddenly started off and the tale which was poised upon the wheel was thrown upon Mr. Upchurch, striking him in the back between the shoulders and mashing him flat on the pave-ment. Ills home is in Swift Creek township to which place he was taken, alter receiving medical services.

The Southern Bell Telephone Company have filed with the Railroad lommission their \$5,000 bond. It will be remembered that the Commission ordered a reduction of telephone ren-tal rates to go into effect February 1st and alterwards granted the companies another hearing February 17th. The Commission then allowed the companies, if they filed this bond to protect the telephone users, not to put the new rates into effect until after the all parts of the State stood an examinatinal decision February 17.

South Dakota Valley Journal.

The legislature appropriated \$4,500 as a litigation fund for the Railroad Commission to hire attorneys to enforce the new railroad law. The appropriation reads, "For litigation fund for the biennial period of 1897 and '98, \$4.500." The intention of both branches of the legislature was that this fund should be available for either year as In accordadce with their plans the no other appropriation is worded that Central directors authorized an issue way. Before the passage of the bill it of \$100,000,000 of 100 year 31-2 per

office and they dictated the wording as cent. collateral gold bonds: Each \$1,000 above so it might be used whenever bond is to be given in exchang for five needed. Last month H. E. Mayhew, shares of Lake Shore stock. State Auditor, refused to allow the use of more than one-half of it, prior to July 1, 1898. It is hoped by those who would handicap the work of the State

Board of Commissioners, in successfully enforcing the law, that this ruling will stay the proceedings and call a halt in the pending suits in the Federal Courts. The Auditor's ruling was

last week submitted the State Supreme Court, and they still maintain that Mayhew is the "watchdog of the treasury" and that only half the fund can be used prior to July 1, next. The pending suits will proceed as rapidly

as possible, whether the "co-ordinate branch" of the State government permits the use of the "fund for the biennial period of 1897 and 1898" or not.
