the bemocratic party is not hon- estly with the people in this fight, if it will not prove its sincerity by repudiating its traitors and strad- thers and marching boldly up and helping us to fight the allied and combined enemies of humanity, then it ought to die and the quicker it dies the better. But the only way that the party can be killed— that is, the only way that the dis- honest and insincere men in it can be thrust into the Republican party, where they belong, and the honest and sincere men taken into the Populist party, where we hope to see them—is by showing the	will warrant an increase of the in- terest bonded indebtedness of this government, or that will in any manner interfere in the reform of the financial affairs of the United States on lines laid down in the Na- tional Peoples Party platform of July, 1896" The resolution went over under ob- jection. A CO-OPERATION FOR PRINCIPLE. The Populists and Silver Democrats Form a Co-operation Ticket for Municipal Ownership in Kokomo, Ind. Union Despatch, Ind.] The Populists and Silver Democrats of this city have nominated the follow- ing co-operative city ticket: Mayor. W. S. Armstrong; treasurer, J. M. Wooley; clerk, Lewis C. Sellers; marshall, Isaac Dick. The platform demands municipal ownership of the natural monopolies, economy in the administration of city affairs and that the home laborers be employed on all city work. The ticket is a good strong one and will make a warm fight with the chances favorable to its election.	vessel shall again attempt to enter any blockaded port she will be cap- tured and sent to the nearest conven- ient port for such proceedings against her and her cargo as prize may be deemed advisable. Neutral vessels lying in any of said ports at the time of the establishment of such blockade will be allowed thirty days to issue therefrom. In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed. Done at the city of Washington, this 22d day of April A. D. 1898, and of the Independence of the United States the one hundred and twenty-second. WILLIAM MCKINLEY. By the President. JOHN SHERMAN, Sec'y of State. The First Shot of the War. KEY WEST, April 22.—The first shot of the war has been fired and the honor of firing it belongs to the United States gunboat Nashville. As a result, the Spanish merchantman Buena Ventura is lying in this harbor awaiting the action of a prize court. The fleet of Rear Admiral Sampson was about twelve miles off Sand Key light this morning on its way to estab- lish the blockade of Cuban ports, when the Shaniad market of the states of the book of the states off Sand Key light this morning on its way to estab- lish the blockade of Cuban ports, when	lishment of the United States in time of war and for other purposes," ap- proved April 22, 1398, the President is authorized, in order to raise a volun- teer army, to issue his proclamation for yolenteers to serve in the Army of the United States. Now, therefore, I, William McKinley, President of the United States, by virtue of the power vested in me by the Constitution and the laws, and deeming sufficient occasion to exist, have thought fit to cell forth, and here- by do call forth, volunteers to the aggregate number of 125,000, in order to carry into effect the purpose of the said resolution; the same to be apport- ioned, as far as practicable, among the several States and Territories and the District of Columbia, according to population, and to serve for two years; unless sooner discharged. The de- tails for this object will be immediate- ly communicated to the proper authori- ties, through the War Department. In witness whereof I have hereunto set my hand, and caused the Seal of the United States to be afflixed. Dane at the City of Washington, this twenty-third day of April A. D. 1898, and of the Independence of the United States the one hundred and twenty- second. WILLIAN McKINLEY. By the President: JOHN SHERMAN,	success and relief is through honest unity of action of all who entertain the same views on great public ques- tions, it behooves the patriots who compose the conventions, that are soon to assemble, to exercise wise caution and prudent foresight in electing com- mitteemen to conduct the campuign. This is not the time to allow untrue men-tricksters or sportsmen-to con- trol the party affairs, and this sugges- tion is made to the honest rank and file of the Peoples Party to see that none but true Populists are placed at the belm. This action will be imperatively nec- essary to prevent the betrayal of trust confided to unworthy men. X ftars. Spring is full of terrors to all whose constitution is not able to resist the sudden changes of tem- perature and other insalubrities of the season. To put the system in condition to overcome these evils, nothing is so effective as Ayer's Sareanorilla. Take it now.	aupers to create a few million- ires. The inevitable result must be to convert our government into an oligarchy of sordid wealth. In the accomplishment into and these evil influences must hackle opinion and muzzle dis- cussion. They not only subsidize the press and attempt to seat their well-paid attorneys in legislative halls, on our benches of justice, and in all other departments of govern- ment; but wherever college facul- ties are susceptible to pretended generosity or inverted philan- throphy they carefully manœuver for either service or silence. The divine right of kings is to be succeeded by the divine right of millionairs, who propose to run everything. not only the instru- ments of commerce and our indus- trial system, but also as far as pos- sible the pen of the editor and the voice, if not the intellect, of the university professor. Having suc- ceeded in this the conspirators will	protection in case of need. In testimony whereof, I, John Sherman, Secretary of State of the United States of America, have here- unto set my hand and caused the seal of the Department of State to be affired at Washington this 20th day of April, A. D. 1898, and of the In- dependence of the United States of America the one hundred and two- ty second. To guit televice easily and forever, be non-
