Certain Populists papers in this State have begun to ridicule and belittle the silver question. There are McKinley Populists and every one of them is in favor of fusion with goldbugs.

Why does not our government strike another decisive blow and end the war? There is but one excuse for delay, and that is to give time for the infamous bond scheme to get the time rolls by that the happiness of the people and the prosperity of the same delegates in our county that country is wrapped up in it, I feel unthey appointed in '94 and '96 with through Congress.
