Mr. Stevens Exposes the Hypocrisy of the Railroad Lawyer Conventoin.

THE CRIME COMMITTED IN THE NAME OF DEMOCRACY

Editor THE CAUCARIAN :-

Since the last Democratic State convention adjourned this writer has been expecting to see some charges cleared up and set right before the people. It has been repeatedly charged that the convention did not represent the masses county nominating conventions. unof Jeffersonian Democrats, but that it was captured and controlled by men who der call of the County Chairwould prefer to see Cleveland President rather than Bryan. The sickening conviction is coming meet at the same time and place to the masses of the Silver Democrats that the charge is true.

Bryan wanted the 140,000 Silver Democrats and the 40,000 Populists to join forces—to co-operate, which would make a sweeping victory over gold and monopoly. It was not thus in 1896, when by a union of the silver forces the State electoral ticket executive committee of the counties should certainly write these eminent was carried for Bryan and silver over the heads of the Clevelandites.

If the charge cannot now be positively denied, if the charge is true, wha may silver men expect in 1900? Will not the Clevelandites, who now control the machinery of the party, use it to try to defeat the nomination of Bryan or any true silver man? and, if he should be nominated over their heads, would they not use the machinery of the party to try to defeat him and carry the State for the nominees of the Cleveland-McKinley-Palmer and Buckner comtive candidates, and shall elect a bine? Certainly they will. There were some men at the recent Democratic State convention who had been so bound and who seemed so pronounced in their devotion to silver and in their opposition to monopoly, that the people thought they were sincere. But it seems that they all surrendered to the Clevelandites without even a struggle. They made no fight for their convictions, or, rather, their professed struggles. Where was the editor of the News and Observer, the member of the National committee, the so-called representative of Mr. Bryan and the self-instruction of the People?" He, too, surrendered at the convention to the same and address plainly.
