Editor CAUCASIAN.

I owe you an apology. Sir, for occupying, in your last issue, so much of its valuable space, in belaboring any time can well-nigh furnish, has been fully -xemplified in cur late working quorums of both branches experience. For it must not be forof this General Assembly. But I gotten, that about thirty years owe them no apology whatever. For are they not my beloved representatives? And when they took the oath of office-which I am making high-priced cotton, and high-Is it a part of the scheme of the good afraid they some times forgot to priced tobacco-and this they were keep-did it not occur to them, that able to do for a time, because of ex-"the disciple is not above his master, nor the servant above his lord" stand, well enough, the relation which subsists, between them and is, I should feel that-

If a man cant wallop, his own, jack-ass Dismissing them for the present, I must resume my argument by obarchistic, paternalistic visionary serving, that incurable as our Po- boring in the effort, to calcine ice into litical Condition confessedly is and deplorable as I believe l men who started the reform move- any improvement in either of them, if it were not for our desperate Industrial Condition. Of this

the narrow forehead of the fool, with whom I am contending, IS NO Jefferson, and Clay, and Lincoln. and Grant, to reason with the ordi-

THE and not we, who had been studying the effects of British and French Emancipation, in their West Indifn colonies, and had learned, from it, that whereas the market value of Sugar and other products of Slave Labor, had, before, been represented by the cost of production, plus the profit of the Siave owner upon his investment, t was ever afterwards, represented by the COST OF PRODUCTION ALONK. And so it is throughout the South to-day and so it will remain, as long as the chesp-negro-laborer continues to be a le Terme principal factor. The stake p'aged for, by both parties to that dreadful suit of the game was that the New Englander won everything, and we lost everything. In other words, we are bolding the row while he milks ber, and IT IS PROM him, that we may

expect the most stubboan opposition o any scheme of NEGRO COLONIZATION And, that this view of our Industrial Candition, is both sound and true.

ceptional circumstances-and coud CONTINUE TO DO SO, until they should ALL GET RICH! But no people were ev r awakened from a greater delusion ! so great indeed, that I know nothing with which to compare it. Perhaps such of my readers as have accompa nied Mr. Lemuel Gulliver, in his Voy

age to the Island of Balnibarbi, and there visited the Grand Academy of Lagado, may have seen some thing that resembled it. For there he saw, some of those famous prejectors isgunpowder! Others were frying as hard, to cetrify the hoofs of living

horses, so as to prevent foundering! Others were engaged in the work of soltening marble, into philows and

pincushions ! While others still, were trying to extrac: subbeams out of cuwith cheap-negro-labor. For after must expect to build for himself no

country.
