BOTH SIDES CLAIM THE VICTORY.

Republicans Make Gains in Some States, Democrats in Others.—The Latest and Fullest Returns.

Kentucky.

Louisville, Ky., Special.—The uncertainty attending the result of Tuesday's election in this State is not likely to be removed for some time. Both sides still claim the victory, the State chairman of each party asserting that he has a plurality of about 4,000 votes.

Ohio.

Columbus, Ohio, Special.—The statements of the Republican headquarters were busy all day and night Wednesday endeavoring to secure some accurate figures on the plurality of the Republican ticket.

Maryland.

Baltimore, Md., Special.—Unofficial returns from Baltimore city and all the counties of the State show that the Democrats swept practically everything before them in Tuesday's contest.

New York.

New York, Special.—Returns received up to the State increase the Republican majority to 35 against 51 Democrats, a Republican gain of 12.

Nebraska.

Lincoln, Neb., Special.—It is evident to both parties in the day's fight that Nebraska has repledged her allegiance to the fusion ticket.

Mississippi.

Jackson, Miss., Special.—Scattering returns received from representative sections of the State indicate a slight vote in the Mississippi election.

OTIS' DISPATCHES.

Reports of Great Public Interest From The Commander in The Philippines.

TYPHOONS IMPEDE HIS PROGRESS.

The Soldiers Push Their Way Through Rain, Storms and Mud Against The Insurgents.

Washington, D. C., Special.—Three important dispatches from General Otis were received at the War Department Saturday showing the hardships and difficulties encountered by our troops in their advance and giving a captured insurgent dispatch showing the line of arguments put forward to sustain the insurrection. The dispatches are as follows:

Louisiana.

New Orleans, La., Special.—The New Orleans election passed off quietly, although fully 90 per cent. of the registered voters in this State voted.

Pennsylvania.

Philadelphia, Pa., Special.—Complete returns from 90 of the 67 counties in the State, including Philadelphia, and with carefully revised estimates from the seven missing counties, show a plurality of 109,165 for Barnett, Republican, for State treasurer, over Cressy, Democrat.

New Jersey.

Trenton, N. J., Special.—The returns at midnight indicate that the Republican carried the State by about 20,000 plurality, although there is no direct vote on a State ticket.

Massachusetts.

Boston, Mass., Special.—Three hundred and fifty out of 353 towns and cities in Massachusetts give Cranston, Republican, 57,716 votes, Democrat, 102,885. The Worcester ticket, Republican, 189,798; Democrat, 107,919. The three remaining towns in 1898 gave Wolcott 273; Brewer 47. The Republican plurality in this State, therefore, is about 66,000.

Kansas.

Topeka, Kan., Special.—Very meager returns indicate Republican gains in the county elections held over Kansas. It is predicted by conservative politicians that the Republican ticket will reach 10 per cent. in Shawnee county the whole Republican ticket is elected by a gain of 20 per cent over last year.

South Dakota.

SioUX Falls, S. D., Special.—At midnight Chairman Bowler, of the Democratic State committee, conceded the election of the Republican ticket to 2,900. The Argus Leader claims the State by not less than 10,000 for the Republicans.

Rhode Island.

Providence, R. I., Special.—The election was dull and the vote cast was light. Mayor Baker, Democrat, was elected for the third successive time by a plurality of 2,100. Last year he was elected by 406. All but one of the Democratic candidates on the general ticket were elected.

James Satisfied.

Tyler, Tex., Special.—United States Senator James K. Jones, chairman of the Democratic national committee, is in this city. Upon being asked as to the election results, the Senator said he was satisfied and was not at all surprised that the Republican gain took for quite such a Republican majority in Ohio. The Senator and Mrs. Jones will leave in a day or two for Washington.

San Francisco Democratic.

San Francisco, Cal., Special.—Correct returns show that the Democrats made almost a clean sweep in the municipal election held here Tuesday. The Mayor and all other county officers on the entire ticket, tax commissioner, county clerk and three supervisors. The Democrats elected the Mayor and all other county officers and 15 supervisors. Mayor Phelan's plurality over Davis, Republican, is 7,766.

Carriage Builders' Association.

The Carriage Builders' National Association met in annual convention in Indianapolis, Ind., last week. Mr. J. G. Anderson, manager of the Rock Hill Buggy company, of Rock Hill, S. C., was elected one of the vice presidents. This organization is 25 years old, and has about 3,000 members, from every State in the Union and Canada.

It is said that Admiral Dewey and Mayor Van Wyck as they drove down Fifth avenue New York City at the head of the imposing procession, amid a wilderness of color and a steady rain of applause, the Admiral exclaimed to the dignitary beside him and said, "Glorious, magnificent! But who are all these different old men whose pictures are displayed so profusely?" "Wh., Admiral, those are all supposed to be you." "He!" exclaimed the suffering hero. "Great Scott!"—and he sank back speechless against the cushions.

Some men who finally succeed in riding the wind are unable to stop it.

Bill Arp Tells of His Visit to Pelzer.

A few days ago I received a letter from a friend and it was post-marked Pelzer. He said I was wanted there to talk to the people, and he wanted to fix the time of the contracting party for loss of time and waste of tongue.

Prosperous Place of 7,000 Inhabitants Without Any Officers, Lawyers, Editors or Saloons.

So I journeyed from Atlanta to Greenville, and there changed cars for my destination, which was only twenty miles away. It was night when I reached the place. My good friend, Mr. Pelzer, who is the Democratic postmaster, took me to his house. I had not seen the town, for it was quite dark. "What is the prospect of an audience?" I inquired. "Very good," he said. "I think you will have several hundred people out to hear you."

State Auditor Avor, who has given the matter of taxes and taxing close attention, thinks that the revenues which the State will derive this year will be sufficient to meet all appropriations for the benefit of the public schools.

General Joubert, the latest advice would indicate, drew in his horns after Pelzer's engagement, and has since withdrawn the southern Boer contingent, leaving only outposts on the line from Ladysmith to Colenso.

Dr. Porter, a prominent truck farmer, at Rocky Mount, fell from a ladder Saturday, sustaining painful, but not serious injuries.

At the funeral of the late Mr. Geo. Horries, of Wilmington, every honor was paid to his memory.

Delphie Thorpe, of Tarboro, has been granted a pension of \$3; Alice Johnson, of Riddleville, \$3; William Milson, of Barnard, \$3.

The grading of the Richmond Petersburg and Carolina Railroad south from Petersburg to Ridgeway, N. C., is completed, and the laying of rails is being pushed.

The Negro Eliminated in New Orleans.

New Orleans, La., Special.—The regular Democrats won an easier victory than expected. The registration books had been thoroughly purged and the negro practically eliminated, leaving 35,000 votes as against 60,000 votes on the roll two years ago.

Officials Mystified.

Washington, D. C., Special.—Officials here are at a loss to know what was meant by the mysterious London dispatch relative to Anglo-American relations as to China, which was of such a startling character that it could not be published.
