Mr. Wm Walpole, of Walshtown. S. D., mys: "A little blotch about the size of a pea came under my left eye gradually growing larger, from which shooting pains at intervals ran in all directions. I became greatly alarmed and consulted a good doctor, who pronounced it Cancer, and advised that it be cut out, but this I could not consent to. I read in my local paper of a cure effected by 8 S. S., and decided to try it. It acted like a charm the 8 S. S. and decided to try it. It acted like a charm the Cancer becoming at first irritated, and then discharging very freely. This gradually grew less and then discon-tinued altogether. leaving a small scab which soon drop-ped off and now only a healthy little scar remains where what threatened to destroy my life once held full sway." Positively the only cure for Cancer is Swift's Specific-
