ONE OF HIS METHODS OF FOOLING VOTERS IN THE LAST CAMPAIGN.

HE MAKES AFFIDAVIT THAT A PROP-OSITION TO DISPRANCHISE NE-GROES AND ILLITERATE WHITES WOULD NOT RECEIVE A SINGLE DEMOCRATIC VOTER IN THE LEGIS-LATURE AND DENOUNCES THOSE WHO MAKE THE CHARGE AS SPEAK-ING PALSELY AND TRYING TO FOOL THE PEOPLE.

From Caucasian Oct. 19 .-

The following affidavit made by James H. Pou, ex-Chairman of the State Democratic Executive Committee, during the last campaign, will be interesting reading. Dur readers will remember that whenever and wherever it was charged in the last campaign that if the Democratic machine under Simmons got control of the State, that they would offer a scheme to distranchise illitterate votes, that the charge was indignantly denied and denounced by every Democratic speaker as being infamously false. Even Mr. Simmons, the Democratic State Chairman, issued an official statement to the voters of the State, branding every such charge as false in toto; saying that that campaign lie had been charged against the Democratic party before, and that the charge was now so old and so false that no one would believe it.

Mr. James H. Pou, the ex-Chairing it I wrote you for advice, which you |vit to that effect. He publicly I am perfectly cured of catarrh and 1898. It will be noticed that Mr vit so as not to say explicitly what he had said publicly on the stump, and yet at the same time, to say enough to make it appear that his affidavit had made good his campaign declaration, and fool the voters into accepting his statement and voting for the machine.

The following is a the affidavit: STATE OF NORTH CAROLINA, ! County of Wake.

James H. Pou, being duly sworn deposes and says: "I have never said that, if the taking Pe-ru-na I was suffering from ca-tarrh of the nose and throat. I used two Democrats regained control of the State, they intended to disfranchise the negroes and illiterate white voters I never have said anything like this, and I know that such is not the intention of the Democratic party. I have never heard a sin gle Democrat give etterance to such a sentiment, and I do not believe, if such a proposition comes before the General Assembly, that it would receive a single Democratic vote. I believe that a majority of the uneducated white voters of North Carolina are Democrats. The Democratic party is appealing to them for aid in preserving white supremacy in the center west and in restoring it in the Eastern par of this State. They are responding Smallpox at the County Home in Forsyth to our appeal, and to repay them for Winston, N.
