Mr. Wm Walpole, of Walshtown S. D., says: "A little blotch about the size of a pea came under my left eye gradually growing larger, from which shooting pains at intervals ran in all directions. I became greatly alarmed and consulted a good doctor, who pronounced it Cancer, and advised that it be cut out, but this I could not consent to. I read in my local paper of a cure effected by S S. S., and decided to try it. It acted like a charm, the Cancer becoming at first irritated, and then discharging very freely. This gradually grew less and then discontinued altogether, leaving a small scab which soon dropped off, and now only a healthy little scar remains where what threatened to destroy my life once held full sway." and no remedy has ever been known to cure it until "5 Drops," the Rheumatic Cure demonstrated its

wonderful curative power. It has never failed to cure RHEUMATISM in any torm, Acute or Chronic.

Here is what a Prominent Physician has to say who has had 35 years of active Practice of Medicine : TRADE MARK I have never before in my 35 years of practice of medicine given m mendation to any patent medicine, but there is a remedy, the result of which has come under my own observation; for there is no Disease which has so baffled the medical skill of all ages as Rheumatism and to find a Reliable remedy for the same. At last we have found it in "5 DROPS," manufactured by the Swanson Rheumatic Cure Company, Chicago, Ill. The "5 DROPS," has proven itself wonderful for its curative power in Rheumatism, as a Temporary Reliever only, but to give a Permanent Cure even in chronic cases. Sometimes to, I had among others several Rheamatic cases, under my treatment and prescribed for these stients the very best Remedies which I skillfully selected, but without desirable results. I then can'd of "5 DROPS" and of its Wonderful Cures, and prescribed it to a few patients who much relief from its use a ithin a few days. After that I prescribed it to a great number and to my apprise, I will say that in the course of Two or Three Weeks after they had used "5 DROPS"

Among these were a few who had, for a number of years, been suffering with Chronic Rheumatism, who had piloted themselves around on Crutches. They came to my office without Crutches and told me they were perfectly Well. They give all the credit to "5 DROPS" and to "5 Drop" Plasters and this is their testimony to the Swanson Rheumatic Cure Com-

As I have seen the Curative Power of "5 DROPS" and "5 Drop" Plasters, in a great many instances, I can Truly recommend them and also that the firm is perfectly honest and reliable to deal with.
