The serious consequences to which Scrofula surely leads should impress upon those afflicted with it the vital importance of wasting no time upon treatment which can not possibly effect a cure. In many cases where the wrong treatment has been relied upon, complicated glandular swellings have resulted, for which the doctors insist that a dangerous surgical operation is necessary.

Here is what a Prominent Physician has to say who years of active Practice of Medicine: [TRADE MARK] years of active Practice of Medicine:

I have never before in my 35 years of practice of medicine given my testimonial or recommendation to any patent medicine, but there is a remedy, the result of which has come under my own observation; for there is no Disease which has so baffled the medical skill of all ages as Rheumatism and to find a Reliable remedy for the same. At last we have found it in DROPS," manufactured by the Swanson Rheumatic Cure Company, Chicago, III. The "5 DROPS," has proven itself wonderful for its curative power in Rheumatism, no as a Temporary Reliever only, but to give a Permanent Cure even in chronic cases. Sometime ago, I had among others several Rhet matic cases, under my treatment and prescribed for these patients the very best Remedies which I skillfully selected, but without desirable results. I then heard of "5 DROPS" and of its Wonderful Cures, and prescribed it to a few patients who found relief from its use within a few days. After that I prescribed it to a few patients who surprise, I will say that in the course of Two or Three Weeks after they had used "5 DROPS" and "5 Drop" Plasters they were Cured.

Among these were a few who had, for a number of years, been suffering with Chronic Rheumatism, who had piloted themselves around on Crutches. They came to my office without Crutches and told me they were perfectly Well. They give all the credit to "5 DROPS" and to "5 Drop" Plasters and this is their testimony to the Swanson Rheumatic Cure Company for their kindness and for the conscientious way in which they are placing these Wonderful Remedies among suffering humanity, which they told me to write to the Company as an acknowledgement.

As I have seen the Curative Power of "5 DROPS" and "5 Drop" Plasters, in a great many instances, I can Truly recommend them and also that the firm is perfectly honest and re liable to deal with.
