I have never heard a sin such a sentiment, and I do not believe, if such a proposition comes before the General Assembly, that Under this basis of representa- it would receive a single Democrat ic vote. I believe that a majority of the uneducated white voters of North Carolina are Democrats. The Democratic party is appealing to them for aid in preserving white supremacy in the center west and in restoring it in the Eastern part 19 of this State. They are responding 14 to our appeal, and to repay them for 5 their aid with a disfranchisement 10 of their votes would be folly and ingrattiude indeed. The man who makes these charges know they speak falsely, but their cam paign this year is run upon the idea that the people of North Carolina would rather believe a false-2 hood than the truth, and they would rather hear libels upon the 20 121 honored dead than to hear argu ments based upon truth."
