He said that he had been invited to address that body upon the organization, but the letter inviting him had been sent to his home in Franklin, while it was well known that he was in Washington at the time. He afterwards received a telegram from the Times-Democrat asking his opinion as the constitutionality of section 5, and had answered th t, in his opinion, it was unconstitutional, in that it carried with it an element of fraud. Subsequently he received a telegram from Hon. No Torture Equal to the

first symptoms of Eczema, but it is not long before the little redness begins to itch and burn. This is but the beginning, and will lead to suffering and torture almost unendurable. It is a common mistake to regard This Fearful Disease.

It is a common mistake to regard a roughness and redness of the skin as merely a local irritation; it is but an indication of a humor in the blood—of terrible entions of ointments, salves, etc., applied to the surface. The disease itself, the real cause of the trouble, is in the blood, although all suffering is produced through the skin; the only way to reach the disease, therefore, is through the blood.

Mr. Phil T. Jones, of Mixersville, Ind., writes:
"I had Ecsema thirty years, and after a great deal
of treatment my leg was so raw and some that it gave me
constant pain. It finally broke into a running sore, and

began to spread and grow worse. For the past five or six years I have suffered untold agony and had given up all hope of ever being free from the disease, as I have been treated by some of the best physicians and have taken many blood medicines, all in vain. With little faith left I began to take S. S., and it apparently made the Eczema worse, but I knew that this was the S. S., the sore healed up entirely, the skin became elear and smooth, and I was cured perfectly." Eczema is an obstinate disease and can not be sured

is superior to other blood remedies because it cures diseases which they can not reach. It goes to the bottom—to the cause of the disease—and will cure the worst case of Eczema, no matter what other treatment has failed. No DISEASE has so haffled the medical skill of all ages as RHEUMATISM.

It has never failed to oure RHEUMATISM In any form, Acute or Chronic. Here is what a Prominent Physician has to say who has had 30 years of active Practice of Medicine: TRADE MARK

I have never before in my 35 years of practice of medicine given my testimonial or recommendation to any patent medicine, but there is a remedy, the result of which has come under my own observation; for there is no Disease which has so baffled the medical skill of all ages as Rheumatism and to find a Reliable remedy for the same. At last we have found it in "5 DROPS," manufactured by the Swanson Rheumatic Cure Company, Chicago, Ill. The "5 DROPS," manufactured by the Swanson Rheumatic Cure Company, Chicago, III.

The "5 DROPS," has proven itself wonderful for its curative power in Rheumatism, not as a Temporary Reliever only, but to give a Permanent Cure even in bhronic cases. Sometime ago, I had among others several Rheumatic cases, under my treatment and prescribed for these patients the very best Remedies which I skillfully selected, but without desirable results. I then heard of "5 DROPS" and of its Wonderful Cures, and prescribed it to a few patients who found relief from its use within a few days. After that I prescribed it to a great number and to my surprise, I will say that in the course of Two or Three Weeks after they had used "5 DROPS" and "5 Drop" Plasters they were Cured.

Among these were a few who had, for a number of years, been suffering with Chronic Rhofimatism, who had piloted themselves around on Crutches. They came to my office without Crutches and told me they were perfectly Well. They give all the credit to "5 DROPS" and to "5 Drop" Plasters and this is their testimony to the Swanson Rheumatic Cure Company for their kindness and for the conscientious way in which they are placing these Wonderful Remedies among suffering humanity, which they told me to write to the Company as an acknowledgement.

As I have seen the Curative Power of "5 DROPS" and "5 Drop" Plasters, in a great many instances, I can Truly recommend them and also that the firm is perfectly honest and reliable to deal with. C. A. JACKSON, Physician and Surgeon, Kearney, Neb., Aug. 29, 1899.

How Long Have You Suffered with RHEUMATISM? How Long Have You Read About "5 DROPS" Without Taking Them? Do you not think you have wasted precious time and suffered enough? If so hen try the "5 drops" and be promptly and permanently cured of your afflictions. 5 Drops" is a speedy and Sure Cure for Rheumatism, Neuralgia, Sciatica, umbago (lame back), Kidney Diseases, Asthma, Hay-Fever, Dyspepsia, Catarrh of all kinds, Bronchitis, La Grippe, Headache, Nervous or Neuralgic, Heart Weakness, Dropsy, Earache, Spasmodic and Catarrhal Croup, Toothache, Nervousness, Sleeplessness, Creeping Numbness, Malaria, and kindred diseases. "5 Drops" has cured more people, during the past four years, of the above named diseases than all other remedies known, and in case of Rheumatism is curing more than all the doctors, patent medicines, electric belts and batterie combined, for they cannot cure Chronic Rheumatism. Therefore, waste no more valuable time and money longer, but try "5 Drops" and be promptly CURED. "5 Drops" is not only the best medicine, but it is the cheapest, for a \$1.00 bottle contains 300 doses. Price per bottle \$1.00, prepaid by mail or express, or 6 bottles for \$5.00.
