

THE MASSES OF THE PEOPLE

The growth of sentiment in this State, from mountains to sea, during the past week in favor of rebuking fraud and rascality, and in rallying to the defence of human liberty has been marvellous.

A year ago the Simmons machine attempted to start a campaign in defence of their action in violating every solemn pledge made to the people and in submitting this dangerous disfranchising amendment and putting on the statute books one of the most thieving and infamous election laws ever known. Their campaign fell still born. They were forced to call in their speakers, cancel appointments, and discontinue after an effort of two or three weeks.

WHAT MAY OCCUR ON THE DAY OF ELECTION.

DEMOCRATIC JUDGE OF ELECTION TO NEGRO JUDGE OF ELECTION: Examine this man and see if he has a right to vote. NEGRO JUDGE OF ELECTION [appointed by Democrats] TO DEMOCRATIC JUDGE OF ELECTION: Boss, you go ahead and do it; I don't like to interfere with white folks business, but whatever you gentlemen do will be all right with me.

NEGRO JUDGES! OF ELECTION.

(Continued from First page.) dence of the disgusting hypocrisy and disreputable policy of the organization which brought about the appointments of these negro Judges, under existing conditions. It is a fact that in some parts of the State members of this Democratic organization, who really believe in consistency and honesty, cannot bring themselves to believe that this outrage has been committed by their organization, and letters have been received at the People's Party Headquarters asking if in the name of honesty and consistency, and of decency, such was the fact.

which good responsible white men were recommended, the Democratic County Board of Elections appointed seven negro judges. Their names are: Sidney A. Busbes, Andrew Dixon, Travis Dixon, General Moye, Jack Holmes, Frank Joyner, James Wade. In Wilson county negro judges of election have been appointed, and in the town of Wilson there are two whose names are: Jeremiah Scarborough and Geo. Towe. In Pitt county the "white supremacy" "negro yelling" election board has managed to out-Herod Herod. Out of fourteen judges of election, which the People's Party were entitled to, and for which positions the representative people of the county recommended white men of intelligence, capacity and high character, the Democratic County Election Board appointed nine negroes; their names are: W. Arnold Spain, Hill, N. C.; J. J. Chance, Stokes, N. C.; W. S. Davis, Greensland, N. C.; James Molley, Ayden, N. C.; Oscar Johnson, Falkland, N. C.; H. G. Moye, Farmville, N. C.; S. P. did great good. It is to be hoped that he can visit every county in Eastern North Carolina, and if he does, we predict that wherever he is heard that the amendment is doomed. More than a dozen Democrats declared openly, after to-day's speeches, that they would not support the amendment; and there are more than two hundred and fifty Democrats in the county of Sampson who have already declared themselves against it. Sampson will defeat the amendment by a majority of not less than two thousand, with a fair election. The white men of this county are more than two to one against the amendment, and that means that the election is going to be fair. If the rest of the State was like the grand old county of Sampson, the amendment would be defeated by as big a majority as it was by the last Legislature of Georgia, who voted it down by a vote of 187 to 3.

GREAT DAY AT CLINTON. Kelly and Lloyd Speak to 2,000 People—Sampson in Good Shape. To-day was a great day for the People's Party of Sampson county. Congressman J. E. Kelly, of South Dakota, and Capt. J. B. Lloyd, of Tarboro, were the speakers, and fully two thousand people from all sections of this county, and many from adjoining counties, were assembled to hear them. Senator Butler was expected, but pressing duties at headquarters prevented his coming. Capt. Lloyd spoke first, and was introduced by Hon. J. E. Fowler. The Captain was in his usual good condition, portly and handsome, and notwithstanding he has a strong likeness to Governor Roosevelt, of New York, yet our people like Capt. Lloyd, and the magnificent speech which he made here to-day. He was continuously applauded throughout his entire speech of more than one hour and a half. He attacked the constitutional amendment and its advocates with gloves off, and showed to the satisfaction of his vast audience that the scheme, though aimed at the negro, would result in the disfranchisement of a large body of the best white citizens in the county. After the conclusion of his speech H. J. Faison, Esq., introduced Congressman Kelly.

There need be no further manipulation of words concerning this matter. Below are given the names of a number of these negro poll-holders in various counties, and the lists from some counties have not been received. It is declared that in Hertford county a negro judge of election has been appointed for every precinct. In Nash county a number of negro judges of election has been appointed by the county Democratic Election Board, and the name of one of them is George Merriott, of Rocky Mount, N. C., who has been appointed a judge of election for Stoney Creek precinct. Negro judges are also appointed in that county for Forrell precinct, Cooper's precinct, and for other precincts from which no official report has been made. These negroes are known to have voted the Democratic ticket for some years, and yet they are appointed to represent the Populists of the precincts in which they will preside as judges. In Durham county, a negro has been appointed as judge of election at Stayville, named Sam Seales. In Craven county negro judges of election have been appointed to hold the polls in precincts in which a majority of the voters are white. The names of some of these negro poll holders are: Samuel Willis, Democratic negro, Vanceboro precinct; J. W. Taylor, Democratic negro, Fort Barwell precinct; J. W. Jones, at Dover; Emanuel Bell, at Batchelor.

We can give further illustrations, but certainly what is above presented should be sufficient to remove every vestige of doubt in the mind of any voter in North Carolina as to existing facts, and further it is surely enough to show that the only inspiration of the negro yelling white supremacy organization, to sound their slogan of NIGGER from one end of the State to the other is their belief, and even conviction that the people of the State are either fools or idiots, and as such are only fit to be played on for all that can be gotten out of them in the way of their support of this nigger howling horde for the various official positions in the State. It should be emphatically recor-

HEALTHY OLD AGE SSS

The majority of persons upon reaching middle age and past and their blood becomes weak and thin, and diseases that were easily controlled in earlier life begin to affect the constitution. Those predisposed to Scrofula, Cancer, Rheumatism, Gout and other hereditary troubles may escape till then, but as they age the blood, so long tainted and weakened by accumulated waste matters, is no longer able to properly nourish the body, and it becomes an easy mark for disease. At this critical period of life the blood must be re-enforced before it can perform its legitimate functions and rid the system of these poisons, and nothing so surely and effectually does this as S. S. S. S. S. S. strengthens and enriches the blood, improves the appetite, and builds up the general constitution. It is not only the best blood purifier, but the best tonic for old people. It warms the blood, tones up the nerves, removes all taint from the blood, and prevents the development of disease. S. S. S. is the only purely vegetable blood medicine known. Not one particle of mercury, potash or other mineral poison can be found in it, and it may be taken for any length of time without harm. S. S. S. is the only remedy that reaches deep-seated blood troubles like Scrofula, Cancer, Rheumatism, Eczema, Tetter, etc. It purifies and restores the blood to a healthy, normal condition, and makes it impossible for any poisonous waste materials to accumulate. If you have an old running sore or an obstinate ulcer that refuses to heal, or are troubled with boils and carbuncles, try S. S. S. It never fails to make a quick and permanent cure of these pests. If your system is run down and you feel the need of a tonic, S. S. S. will strengthen and help you as it has many others to a happy, healthy old age. Mrs. D. R. S. promptly reached the seat of the disease and made a complete and permanent cure.
