

WHAT MAY OCCUR ON THE DAY OF ELECTION.

DEMOCRATIC JUDGE OF ELECTION TO NEGRO JUDGE OF ELECTION: Examine this map and see if he has a right to vote.

NEGRO JUDGE OF ELECTION (appointed by Democrats) TO DEMOCRATIC JUDGE OF ELECTION: Boss, you go ahead and do it; I don't like to interfere with white folks business, but whatever you gentlemen do will be all right with me.

NEGRO JUDGES OF ELECTION.

(Continued from First page.)

dence of the disgusting hypocrisy and disreputable policy of the organization which brought about the appointments of these negro judges, under existing conditions.

It is a fact that in some parts of the State members of this Democratic organization, who really believe in consistency and honesty, cannot bring themselves to believe that this outrage has been committed by their organization, and letters have been received at the People's Party Headquarters asking if in the name of honesty and consistency, and of decency, such was the fact.

There need be no further manipulation of words concerning this matter. Below are given the names of a number of these negro poll holders in various counties, and the lists from some counties have not been received.

It is declared that in Hertford county a negro judge of election has been appointed for every precinct.

In Nash county a number of negro judges of election has been appointed by the county Democratic Election Board, and the name of one of them is George Merritt, of Rocky Mount, N. C., who has been appointed a judge of election for Stoney Creek precinct.

In Durham county, a negro has been appointed as judge of election at Stayville, named Sam Seales.

In Craven county negro judges of election have been appointed to hold the polls in precincts in which a majority of the voters are white.

In Wayne county, a negro has been appointed as judge of election at Stayville, named Sam Seales.

In Craven county negro judges of election have been appointed to hold the polls in precincts in which a majority of the voters are white.

In Wayne county, a negro has been appointed as judge of election at Stayville, named Sam Seales.

In Craven county negro judges of election have been appointed to hold the polls in precincts in which a majority of the voters are white.

judges of election, of these seventeen judges, the Democratic County Election Board appointed fourteen negroes, their names and post-offices are as follows:

James C. Adkins, Wilton, N. C.; John S. Mitchell, Creedmoore, N. C.; Jordan Bullock, Wilkins, N. C.; Wm. Handing, Stem, N. C.; Robt. Burwell, Culbreth, N. C.; Daniel Smith, Berea, N. C.; Mark Smith, Buchanan, N. C.; James Morrow, Bullock, N. C.; S. L. Daniel, Stovall, N. C.; Chas. H. Taylor, Oxford, N. C.; Wm. Alston, Oxford, N. C.; Willie Moss, Oxford, N. C.; Lanier Harris, Oxford, N. C.; Wallace Taylor, Clay, N. C.

We can give further illustrations, but certainly what is above presented should be sufficient to remove every vestige of doubt in the mind of any voter in North Carolina as to existing facts, and further it is surely enough to show that the only inspiration of the negro yelling white supremacy organization, to sound their slogan of NIGGER from one end of the State to the other is their belief, and even conviction that the people of the State are either fools or idiots, and as such are only fit to be played on for all that can be gotten out of them in the way of their support of this nigger howling horde for the various official positions in the State.

It should be emphatically recorded in the mind of every citizen that these negro judges of election constitute part of a jury who sits in judgment on the liberties and rights of the white voters in every county in which they are appointed. They are to determine as to whether or not the ballot cast by white voters is legally cast, and decide as to whether or not it shall be counted. They are judges of the exercise of the highest privilege and right known to the American citizenship, and their appointment as judges enable them to "dominate" and dictate the action of white voters, and to pass judgment on their fitness and qualification as electors and free citizens.

There are still more emphatic glaring illustrations of flagrant inconsistency of this Democratic white supremacy negro howling organization, and among them is the case of Granville county, in which, under even the existing fraudulent election law, the People's Party is entitled to seventeen

and were joined by the patriots of North and South Carolina, and that now when manhood suffrage in North Carolina was threatened by a monstrous device in the form of a constitutional amendment to our State constitution, that the cause of North Carolina was the cause of South Dakota.

Mr. Kelly spoke for nearly two hours. He declared the 5th section of our proposed amendment unconstitutional and would disfranchise all illiterate white voters in the State. He regarded it the most monstrous proposition ever submitted to any free people. His speech was powerful and convincing, and did great good. It is to be hoped that he can visit every county in Eastern North Carolina, and if he does, we predict that wherever he is heard that the amendment is doomed.

More than a dozen Democrats declared openly, after to-day's speeches, that they would not support the amendment; and there are fifty more than two hundred and thirty Democrats in the county of Sampson who have already declared themselves against it.

Sampson will defeat the amendment by a majority of not less than two thousand, with a fair election. The white men of this county are more than two to one against the amendment, and that means that the election is going to be fair. If the rest of the State was like the grand old county of Sampson, the amendment would be defeated by as big a majority as it was by the Legislature of Georgia, who voted it down by a vote of 137 to 5.
