In the eyes of a Democratic negro calamity-howling politician, the negro is all right when he votes the Democratic ticket.

-----WHO IS RESPONSIBLE FOR THE LABOR FAMINE!

The negro labor is leaving (astern North Carolina in droves. The exo dus continues to increase. It is im possible for many farmers to ge their crops harvested. Labor will be scarcer next year than it is this

1858:

Philippines.

ey policy in the Philippines.

Why is this negro labor (the very best labor for the South.) leaving and who is responsibly for it? These are questions that every farmen should investigate for nimself and find his own answer.

The other day the annual conven tion of the Commissioners of Agri culture of all the Southern States do it, but because the people werwas held at Raleigh. The Secretary heir argument. • • • Turn o' the convention, Mr. Royal Daniel while in Raleigh, heard much acous the negro labor leaving. He wrote a letter to the Atlanta Journal giv ing an account of the negro exodus now on from North Carolina. He is all the same old sorpent." says there is a very great scarcity of farm labor, and that the excdus has shirt Democratic paper in this State been going on for months, and is in full blast now. He outs the number above doctrine. Why? Because the who left Raleigh at 600.

Continuing, he says:

"They will continue to go, in spite of the antagonisms in New York Pennsylvania, Washington, Ohio, In diana, Illinois and elsewhere.

"The whites would do well to face the situation calmly, coolly. Th negroes are on the move. They are very credulous and will take all risks in the North. They think the North is not a graveyard, but a land of open doors and great opportunities. *

"But the crying question with the farmers is to procure help to gather the growing crops already greatly reduced by the protracted drought Lat all who can give a helping hand."

The Rateigh Post, commenting Wilmington Messenger for the printupon Mr. Royal Daniel's report, says: | ing outfit of the negro Manly, which

On Sunday morning The Post pubprinting outfit was burned by Wadlished a letter from a farmer in an dell and his red-shirt mob of the white unto the harvest, but the labor election in '98, after they knew that totally absent. The labor was ther. Manly had left Wilmington. Did to help pitch and cultivate the crop. the Wilmington Messenger own the but circumstances of recent occur rence-since the August election, in outfit, and if it did, did it not own fast-have caused them to leave. A Manly also? If the Messenger did farmer from Franklin county was 10 not own Manly, did they not a possible to get labor to pick the cot least have the power to shut him ton or pull the fodder now ready.

It may be that the farmers, after

THAT SPASMODIC VIRTUOUS IM

ed with as much allowance as they PULSE. are capable of enjoying, that a In 1896 the Democratic party much is to be done for them as their had a spasmodic impulse of virtue condition will allow-what are these It seemed really anxious to return arguments? They are the arguments from its wonderings off after false that kings have made for +nsisvir. the people in all sges of the wor'd gods and to stand once more for the You will find that all the argument: plain and simple principles o and kingeraft were of this class-Chomas Jefferson. Then it repu hey always bestrode the necks of diated Cleveland, Carlisle, Ranson the people, not that they wanted to and the other false leaders, and better off for being ridden. That i told them to get out of the party hey had so long betrayed. Ther whatever way you will-whether 1 seemed anxious to get togethe e mes from the mouth of a king a an excuse for enslaving the peopl the Populists, Silver Republicant f his country, or from the mouths of and all others who stand for the men of one race as a teason for enrinciples of Jefferson and Lincoln siaving the men of another race, i But now what a change! To-day the party has turned its back upor It is noticeable that so far no red the Populists and Silver Republi cans, and is now running after the has endorsed or even published the levelands, the Carlisles, the Hills the Gormans and the Crokers and red shirt brand of "Imperialism" we the corrupt Tammany organization nave here in North Carolina is worse The Gold bugs and monopolists uan anything that McKinley has are fast capturing again the organ ione or is charged with doing in the zation and the old line politician tre again in charge and after the

Mr. Bryan cannot talk imperialflesh pots of Egypt The People' sm in this State without condemning Party has its work to do over again the Simmons red shirt ma ... ine more Let us not hereafter try to put new nan he could condemn the McKinwine in old bottles.

The Craig law to prohibit foreign We noticed a few days ago in corporations from removing case some Democratic paper, (which pao Federal Courts has been declare per we have unfortunately misplacinconstitutional. This is what ev ed) that the Board of Aldermen in rybody, including the Democrat Wilmington had voted to pay the legislature, expected. They neve expected it to stand. They drew so it would not stand and got hig campaign fund for so doing THE CAUCASIAN called attention o this at the time and urge the legislature, if it was honest t adopt the Wisconsin law which has stood the test of the courts. Thi law is on a par with the fraudulen anti-trust law.

Governor Beckham calls the Ken down if he did not pay for the outtucky legislature into extra sess having worked hard, and lost their fit after he published the infamous ton to repeal the thieving Goebe erops for lack of labor to save it, will editorial which the Wilmington pa- election law and to enact an honest their election

is for President and vote as their better judgment may dictate, and o those Pou ulists who have burn d the bridges behind them, and nave been in the middle of the road rom the beginning, it goes with int saving, that they will heartily upport Wharton J Barker, of Pennsylvania, for President, and Ignatius Donnelly for Vice-Presi lent, both standard bearers of the principles that underlie the grand est party that this nation has ever given birth to, namely the Populist narty.

WHO WILL WE SUPPORT FOR CON GRESS

> Your committee has carefully sur eyed the ground and find the fol wing conditions confronting u-Ine a representative of the Goebel Simmons-Joe Daniels-Waddell, red hirt, rotten egg, shot gun, intimida ion and fraud gang, in the rerson f J. C. Baxton; the other in th person of Scencer Blackburn, the tominee of the Republican party, serty that has shared with us in th liste all the abuse that a vile, con not gang could heap upon us, and o-day our issues in the State are th ame, Blackburn, with Butler Pitchard, and all the leaders of the Populist and Republican parties leading for human liberty, a fre allot and fair ecunt, while Buxton and his party, or the leaders, arharvest of poll keepers shot, and still keeping up the old cry, "nigger nigger, nigger." even after they as ured the people that the adoption o he amendment in this State foreve settled the negro question. There ore it occurs to us that it requires in further argument as to who we will support for Congress. To those of our friends who think Populist should be nominated, w

vish to say that if the thieving me hads should be carried out in this State, that were resorted to in the as election, it would be a forlor ope to any candidate other than Democrat But the next election ing a national election, surely the national administration will protect its own suffrage laws and see that he same thieving crowd does no un rough shod over the most sacred ights guarante d to the people of his nation, and if this is done the otes cast for Mr Blackburn will bsounted, he having the power of the covernment behind him to enforc he same. Therefore, brethren, le is stand together. keep our party or ranization in tact, and when the reac ion comes and the present misers bl raudulent election methods will relegated to the past, and every nan permitted to vote his hones entiments and have his vote coun t-d as cast, the people everywherwill endorse the principles of th Populist party as the party of prog

ruse, of right, and for human liber ty, with equal rights to all mer and special privileges to none. Then we will nominate candidates of ou. pate. own party with the assurance of

onceal the truth, and will not allo thers to speak it. Have they ev ritics, who are in a position to wate eard of the d calogue, or of Ans as working of the Massachusett ias and Sapphira? Have the clerg w, is that it has operated in the in who officiated and woted with then crest of clean legislation, and that av r considered of Roger William has diminished the umber an A Smithfi-ld, in that land of opa sed the grade of men constitution pression, from which our ances'o he "third house." Its chief fault vere driven to seek a refuge ! er. .c o ding to the same authority. Annie Askew and four other educaed women were hurned allve, at th take, for opinion's sake. Ominous name! for at Smithfield and elsewhere in our State, speakers were erked from the stand, kicked, coff ed, and forbidden to speak to the once free people of North Carolins. What shall the harvest of invented and published falsehoods bef Already the minister has been sounted out of his pastorate by false anvase of bailots for opinion's sake County Commissioners have been sounted in by false canvass of bal ots, when the magistrates have me for an election. At the peacefu primaries, where the much boasted smendment has been adopted, mer re killed by pistol shot or disem noweled by the fearful knife in th camp of their political friends. How

hat it does not reach far enough; f. provides no initiative on the par of the State's officers to call to ac sount persons who are suspected o ili it dabbing in legislation from be outside, and it is also open t vation in various ways The puzzl how to make the aw more effect v- without infringing apon th ghts of the public. Still no one car leny that it gives reputable men at pportunity to engage in a usefu arsult which many now avoid to ear of inferentially smirching the od names. The man who, in defi nee of such a law, pli s his trade a lobyist without registration, brandimself as at least a potential ras al. The statute may not furnish the police authority with the mean f punishing him; but he cannot esa e the moral pillory, and his disgrace will be shared by every legietor who is seen in his company.

alection returns seized and destroyed at the hour of midnight by armer mobs that invented falsehoods may be published, and men put in offic
