Business Man Forced to Leave Kinston on Account of Mistrentment by the Democrate.

EDITOR CAUCASIAN-DEAR SIR:-As I have never written anything to the CAUCASIAN, I thought I would ike to have space in it to say a word or two about the way I was treated in the August election. The night of the election I was met by a mob of one hundred men whose purpose was to rotten egg me, because I did not vote the Democratic ticket, and they would have succeeded in their purpose had I not entered a store near by and been protected by the store keeper.

This occurred in Kinston where was in business, and the mistreat ment I received there caused me to leave the town and leave my business n the hands of a friend. The day of election I was giving out tickets and some of the Democrats around me be-

gan smoking in my face, but I did not resist, as I knew that was what they wanted. They found that would not do, and they pushed one of their
