One Year. Six Months. Three Months,

A REAL PROPERTY AND ADDRESS OF A DESCRIPTION OF A DESCRIP TO REORGANIZE THE DEM. PARTY

A movement is on foot to re-organize the Democratic party, and a York city.

General, under Cleveland's admin istration, is one of the chief promoters of the movement. It is stated stole the State in August and it in the press dispatches that the ob ject is to 'purge the party of Bry anism."

It seems that after all, what gold men returned to the Democratic party did so with that object in view, for it is stated in the press dispatches that such a plan was be ing discussed even before the elec tion.

This movement or convention, as it is foreshadowed, will return to the principles advocated by Cieve land, Whitney and men of that stamp, who deserted the party when colonist policy and the gold san-Bryan was nominated in 1896. been at work under cover for four There seems to be great disapyears, capturing the machinery of pointment on the part of some of the Democratic party in as man; the Democratic papers as to States as possible, have now

NO HOPE IN THE OLD PARTIES. "POLITICAL LOOTING."

The friends of State Chairman Years Hence. Simmons claim that he should have the usufruct of the North

Carolina political looting " "Political looting" is very expresthe methods by which the state was carried in August.

The Simmons machine were determined that he should be the

chief beneficiary of the "looting," and in order to prejudice men of their own party against General meeting for that purpose will be Carr some of the Simmons adher held during this month in New ents claimed that he was the only "straight" Democrat, and that a night I will remain in Sioux Falls, Don M. Dickinson, Postmaster vote for Carr was a vote against the

in-mocratic party. But Simmons' ballot stufferwas quite natural that they should think that Summons should have the benefit of the "lo ting." The whole country knows that

this State was carded by "force, fraud," intimidation and wholesale ballot stuffing.

THE ELECTION-AND WHAT IT DOES NOT MEAN.

The election of McKinley by su: to take part in the government who a large majority does not mean tha does not know enough to make money the majority of the voters endors At first the limits will include a small majority and then the amount will be the trusts, a large stauding army, a raised until there is nominally a simon pure illiteracy.

"The election does not stand as an indorsement of all the administration stands for. The cry of prosperity and the racial trait were more apparent now than ever before, of getting all we can and keeping all we get No Angloparty in power while involved in war thought it would be different this ime, because of more general dissemination of knowledge. there will likely occur a div reement of the Democratic d P pulist partie, but the new party will be the popular one. I can't now say whether Mr. Bryan will affi-

sate with it or not."

children.

success of the primary method of selecting candidates for office.

The Charlotte Observer and the Raleigh Post both condemn the primary plan, contending that it pro vokes bitterness and dissensions in the ranks of the party.

Conducted in the manner of the recent Senatorial primary it is not at all surprising that there should be engendered ill feeling, for the Simmons machine does not tolerate opposition It is a well known fact that the whole Democratic organization in many parts of the State, was strenuously working in the interest of Simmons' candida- that he should have the largest cy.

And in some places men were and the other candidates for the bold enough to say that if Simmons Senate should take their medicin were not supported by the Demo without wincing or complaining cratic voters (who instead voted for It is in poor taste for them to Gen. Carr) that they were opposing charge the Simmons machine with the organization. They claimed fraud.
