Kansas cry for vaccination, Nation, 'Gains your fearful machine,

Uncle Sam a Poor Broker. Washington Post.

The government will never get rich by engaging in the ship brokerage business.

At the beginning of the war with Spain it paid \$1,292,000 for five vessels which were offered by private patriots.

It has been able to sell these same ships for the sum of \$710,000. A simple arithmetical process shows Uncle Sam to be the loser to the extent of \$582,000.

Sampon Democrat. A man named Watkins, from Wayne county, was recently a patron of Mr. Joe Nolly's restaurant.

He engaged of the proprietor what he would charge him for as much coffee as he could drink. He politely replied "45 cents, sir."

"All right," said Watkins, and a pot was soon emptied. Another pot full was set up and Watkins finished it up drinking in all forty-five cups of coffee at one sitting.

The Nolly House will hereafter be conducted upon the European plan. [The author of the above must have helped to count the Democratic votes of Sampson at the August election.—Ed.]

It is an artistic and useful book and will be of interest to housekeepers. A noteworthy feature of the almanac is a prediction of the weather for every day in the year.

Thousands Have Kidney Trouble and Don't Know It. How to Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours.

If the sediment or scaling indicates an unhealthy condition of the kidneys, if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do. There is comfort in the knowledge so often expressed by Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage.

It corrects indigestion, it holds water and scaling pain in passing it, or bad effects following use of liquor, or any excess of food, and the necessity of being compelled to go often during the day, and to get up many times during the night.

The mild and the extra-ordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

If you need a medicine you should have the best. Send for druggists in 50c. and \$1. sizes. Sold without cost by mail.

You may have a copy of this wonderful discovery and a book that tells more about both of them absolutely free by mail.

Address Dr. Kilmer & Co., Home of Swamp-Root, Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

We condemn the Democratic Legislature of 1899 for its extravagant expenditures of public money amounting to \$1,004,768.75 in 1899, as opposed to \$237,171.82 in 1898, and for its Democratic Legislature, an excess of \$767,596.93, not including the sum of \$100,000 for public education nor the \$63,360 for purchase of State farms.

We further condemn said Legislature for the careless blundering and careless legislation, including more than a dozen amendments to the laws than ever before enacted by any General Assembly in North Carolina.

We further denounce the machine loyalty and support of the present Administration for the high personal and official integrity, and challenge a comparison of its record with any and all of its predecessors.

Men can be cured privately and positively at home of all weak conditions because of the failure of the Democratic Legislature to make such provision as soon and urgently needed as the time they were consuming their labor in enacting political legislation and creating new offices during the session of 1899.

Labor is indispensable to the creation of the profits of any capitalist. Labor increases the efficiency and value of labor. Whoever arrays one against the other, is an enemy of both.
