SAVES LIFE Willard, Ill., August 1, 1908. I was in bad health this spring and could not fined my child died. When I began to sit up I fait so weak and had such terrible pains in my back and hips. I had kidney trouble and fall-ing of the womb. I also had hysterical spells. I was in a bad condition when I received your "Ladies' Birthday Almanac" and read the ad-vertisement of Wine of Cardui and Thedford's Black-Draught. Since A pril 20th, I have taken four bottles of Wine of Cardui and three pack-ages of Thedford's Black-Draught. I feel like a walk out to see any of my neighbors. I believe i would have been in the grave had it not been for Wine of Cardui. IT SAVED MY LIFFE. Mrs. ALIOR DAVIS.

It is well that women are more patient than men. Few men could bear the bitter pangs, the agony and distreas that women endure. Thousands of women have come to look upon suffering as a duty of their sex. But there are many instances of this heroic fortitude which

WINE OF CARDU Bow renders homes. Many of the best homes in this city are never without this great medicine. It cures whites and falling of the womb and completely eradi-cates these dragging periodical pains. Mrs. Davis' cure shows you conclu-sively what you may expect if you follow her example and take Wine of Cardul. Thedford's Black-Draught alds Wine of Cardul by regulating the means that howels.
