The Attorney-General of the State has associated Hon. Wheeler H. Immediately after the filing of the bill in this case in the Supreme Court, the Raleigh News and Observer raised a tremendous howl, charging that the suit was a scheme by some one to rob the State by forcing it to pay an unjust debt. It intimated-if it did not charge openlythat these bonds were fraudulent and without any valid consideration and that it would be a crime and an outrage to force the State to pay them, or, rather, to sell a certain amount of the State's stock in the Western North Carolina Railroad to satisfy the mortgage on this stock, the bonds in fact constituting such a mortgage. A great many good people were no doubt mislead by the wild, irresponsible, and what now seems to be entirely untruthful statements of the News and Obser-

The editor of the Raleigh Post Mr. Furman, was for some time Auditor of the State and happened to be familiar with this whole bond transaction. Mr. F. H. Both these gentlemen have made clear and comprehensive statements giving the facts in the case. From their bonds are entirely valid, that the It is as follows:

My wife was sick for three years. We tried everything without relief and spent much money. By wife tried Wine of Cardul and four bottles cured her. She took two more bottles, knowing she would have to work hard during the hay harvest. She attended to all her household duties and loaded and unloaded all the hay. This medicine gave her strength. Formerly she was weak and tired and could hardly get about, but since she has been taking Wine of Cardul she feels better and stronger than when 20 years of age. JOS. A. EISENHAFER.

WINE OF CARDUI

Now, after taking the Wine of Cardul, she can is hard work, but it is not as injurious to a woman's health as labor in stores, factories and offices where thousands of girls are closely con-fined year after year. With the aid of Wine of

Cardel a woman can do any reasonable work and enjoy good health. The health that Wine of Cardul brings makes a woman vigorous in body and mind. Freed from those terrible devastating pains a woman grows well and strong naturally. Wine of Cardul regulates the disordered menstruation and cures hoes, falling of the womb and periodical pains in the head and back eaused by standing or sitting a long time in the same position. Thedford's Black-Draught puts the bowels, stomach, liver, kidneys and blood in proper shape. Greatly increased strength and endurance is the natural result. Most cases are cured quickly. All druggists sell \$1.00 bottles of Wine of Cardul and 25 cent packages of Thedford's Black-Draught.
