DEATH OF DR. CURBY

Dr. J. L. M. Curry, one of the most prominent educators of the South, died in Asheville last Thursday night of Bright's disease. Dr. for London, but it wont do for Curry had been critically ill for North Carolina-Asheville Gazette. several weeks, He was 78 years old at the time of his death. He had served in the civil war and was of Congress of the Confederacy at lot box-Ex. Richmond. Later he was United State Minister to Spain and was also chosen to represent the government at the coronation of the young king of Spain. At the time of his death he was general agent of the Pea-

body and Slater Educational funds. held in Richmond Saturday afternoon from the Richmond College Chapel.

The following is taken from a correspondence in the New Berne Journal:

"There is some talk among members of the legislature about expell ing one of the members of that body, of whom it is stated that he has been intoxicated ever since his arrival, and that he has spent his

days and nights in riotous living." "Lock up" one night last week for freely of the "Mountain Dew".

The Monroe Enquirer says "It is charged in some of the papers of the State that a number of the members of the Legislature are drunk frequently. We believe that the should have their names published should be sent back home where they belong."

be a quorum when the legislature met the next morning after the exodus.

Observer have been engaging in long as you hoop it up and call it the democratic bible, but when a democrat chooses to do his own thinking then he is a small rotato in the eye of the New and Observer

It has taken Senator Woodard a long time to find out the small calibre of the News and Observer. It is a case of Marsus own dog biting him.

Mr. Victor Dockery announces that he contemplates publishing a to be called The Moon.

He further announces that it will be inpependent in politics, religion Lee is the guest of Mrs. Samuel and science and will try to be origi- Chew, 1176 Walnut street. Followabscuring the Suns domain. If torian, Miss Reintzel, read a paper he follows his dectrine out to the the kind in the world.

We wish him success.

One of our exchanges is very much suprised to see a big whisky advertisement in the Raleigh News and Observer when the Observer is apporently such a strong advocate of Temperance. To a casual observer it would appear that it is taking some whisky to run this Temperance Legislature.

Bills have been introduced in the legislature giving three counties compulsory school attendance laws. The counties are Camden Macon Indian Terry's. and Cherokee. If the bills they will be about as compulsary as the "anti-spit ordinance" is in some towns in the State-Spit where you

The old soldier was turned down by this Legislature when it came time to do him henor. A deaf ear point of the West Senator-elect Over- Mardi Gras festivities. man has chosen his private secretary from the far east.

We would like to hear the final report of the investigating committee on the Penitentiary Scandal. There seems to be a great effort to 'white wash" the affair, but they will find that the wite-wash will not stick.

The playpolitics members of the legislature have decided that the London bill may be good medicine

It should also be made a felony also a member of the lower House for an election official to stuff a bal

SPIRIT OF THE PRESS

And now the Western Democrats claim that the east named the Senator after all and that in so doing they broke all pledges made hereto-fore and violated some very high The funeral of Dr. Curry was moral principles. With the motor Old State Arsenal is still resting on power of the machine in the East how can the West expect any better things-really, what right anyway have the tools to complain of the powers that wield them—Exchange
