#### Dr. Miles'Heart Cure and Nervine Cured Me.

"It has been five years since I was cured of heart trouble by your Heart Cure and Nerv-ine, and I am just as sound as a dollar in that organ today. For several years I had short, sharp pains about the heart, sometimes ment or mental worry would almost unnerve me. I felt that the trouble was growing worse all the time, and after trying many remedies prescribed by physicians without obtaining relief, I was induced to give your remedies a trial. I was relieved the second day, and after taking three or four bottles all symptoms were removed and have never showed signs of returning."-REV. GEO. W. KIRACOFE, Chincoteague, Va.

There are many symptoms of heart disease, which so closely resemble those of more comnon nervous disorders as to frequently mislead the attending physician. Often in cases of heart trouble the stomach, kidneys, liver or lungs become affected. Again the symptoms may be those of weakened nerves, as tired feeling, sleeplessness, timidity, the patient is easily excitable and apt to worry without cause. If you have the least suspicion that your heart is weak study your symptoms and begin the use of Dr. Miles' Meart Cure, the great heart and blood tonic, without a day's delay.
