DECEIVED THEM ONCE MORE

Editor of Chairity and Children Thinks That He Was Faked by the Politicians. Charity and Children.

What is the public sentiment worth anyhow? The Anti-Saloon League has been actively at work for months. Speeches have been made, leagues have been formed. Sixty thousand petitione s prayed for relief, orators and business men plead with the committees, all possible pressure was brought to bear and what did we get? Exactly what Mr. Simmons and Gov. Aycock granted before the Legislature opened. No more and no less.

But where did all that public sentiment expend itself? It vanished. It rolled into the ears of the committee and out again like water falls on and off the back of a duck. Not a vote was changed. Not an eye was opened. Not an inch of ground was gained, Mr Simmons stated in his letter that the liquor stills ought to be removed from the country districts, so did the Governor in his message. It was done And not a thing more that was worth a cent.

Which leads us to ask again; have the people no power with the lawmakers? None whatever. The nothing to do with it. This is a S. C., at rate of one fare plue \$1.00 fine illustration. The peoplethat is, the substial element, the bone and sinew of the State-wanted the London bill. They would have submitted without a murmur to reasonable modifications, They asked for the suppression of the jug trade. They were denied evrything they asked. They wanted a gun and they got a fire cracker.

We were all deceived again, We thought that this time surely the Legislature will hear. We fancied we saw a determination on the part of the Legislatuere to do the right thing, and we said so again and again. We beg our readers' pardon for our credulity. We were duped.

The Legislature never had the least respect for public sentiment, ville, Ind. when W. H. "It is with the greatest pleasure that I recommend Dr. Miles' Nervine and Heart Cure. I only wish that I could tell every sufferer how much good they have done me Last winter I had a severe attack of La Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I could lie on my left side for a long time. got your Heart Cure and took three bottles have no trouble now with my heart and can lie on my left side as well as my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got clear out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nervine. I felt better after the first few doses and two bottles of Nervine and one of Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone.
