Such is the outcome of Goebelism in Kentucky. How much longer will it take Simmonsism to bring rent for land that could have been North Carolina to the same state?"

Gov. Aycock and his crowd said just after the election in 1900 that they would drain the State Treas urey to protect the registrars who helped to steal the election to put him and other democrats in office (well they drained the State's Treasury alright).

Now why didn't this same Gov ernor offer a suitable reward to bring the men to justice who foully murdered Percy Jones in Wilson several nights ago, or is it possible that the governor did not care to interfere as it is reported the men accused of the crime were members of his red-shirt gang in 1900?
