LAWLESSNESS WALKED THE STATE LIKE A PESTILENCE. GOVERNOR AYCOCK STATED IN HIS INAUGURAL ADDRESS THAT UNDER, AND THEREFORE BY IMPLICATION IN CONSEQUENCE OF, FUSION RULE "LAWLESSNESS WALKED THE STATE LIKE A PESTILENCE, CRIME STALKED AROUND AT NOONDAY, SLEEP LAY DOWN WITH ALARM AND THE SOUND OF THE PISTOL WAS MORE FREQUENT THAN THE SONG OF THE MOCKING BIRD."

How stands the case to-day? GOVERNOR AYCOCK? HAVEN'T THE ACTS OF THREE RED SHIRT LEGISLATURES AND MORE THAN TWO YEARS OF YOUR OWN BENEVOLENT RULE PASSED INTO HISTORY SINCE YOU PROCLAIMED THE FOREGOING? WHEN YOU ARE CAVORTING OVER THE STATE WHOOPING FOR EDUCATION AND ROADS DON'T YOU HEAR OF MORE CRIMES BEING COMMITTED IN NORTH CAROLINA THAN EVER BEFORE AND DO YOU CONTINUE TO ATTRIBUTE THESE TO FUSION RULE?

Sundays issue of the Raleigh News & Observer speaking of the provisions regulating suffrage in the State of Vermont says: The laws in that State to voting provide:

1. No person is a citizen of the State who is not a citizen of the United States, by birth or naturalization:

2. To be entitled to give his "vote or suffrage touching any matter that concerns the State of Vermont" he must take the freeman's oath;

3. "No person shall be admitted to take the freeman's oath, or vote at an election, until he has obtained the approbation of the town in which he resides."

The last section is wider than any barn door. Under it the authorities could disfranchise just as many voters as they pleased, or as many as necessary to guarantee the old time Republican majority. Under it an opposition party would be at the absolute mercy of the "ins."

That wide open measure is not to be mentioned in the same breath with the grandfather clause which must be strictly construed and is of limited duration." We do not know just how wide the editor of the News & Observer supposes "any barn door" to be but we have that kind of suffrage law in North Carolina and it reaches from Murphy to Manteo and we suppose that is wider than "any barn door" the editor of the Observer has seen. Doesn't our election law state that every voter must be able to read and write etc. satisfactorily to the registrars. And under it don't the authorities disfranchise just as many voters as they please, or just as many as necessary to give the democrats the desired majority. We are not trying to defend the suffrage law of Vermont, but if the Vermont law is a bad one the suffrage law in North Carolina is a bad law and should be repealed or amended and if the News & Observer wishes to do some missionary work let it cut loose from foreign missions and join the home mission band and help us to have a just election law in North Carolina before bothering with the suffrage laws of Vermont.

The "Nick Williams" whiskey business at Williams N. C. was seized a few days ago, by Federal officers, for conducting his business unlawfully. It is reported that he was caught refilling barrels with untaxed whiskey and by this means he intended to defraud the government of the taxes. It would seem that a man that makes as good whiskey as the News & Observer says Nick Williams does, would not mind paying the tax on same.

It has gotten so in Kentucky that a man makes his will before going into court to testify against murderers and thieving election officials.

"Glenn Williams was probably hitched out in the bushes when Simmons was making his speech before the temperance convention last week."—State Republican.

Wasn't it about this time that he was trying to slip some whiskey that had not been tax-paid to keep from paying the government the taxes on same.

We clip the following from The Eastern Reflector, democratic semi-weekly published at Greenville: "Why don't you fellows let Aycock alone; he is a good man," was asked us recently. What we are kicking about is that he is too good a man to criminals." Well why shouldn't he be when lawless red-shirts and thieving registrars helped to put him in office.

The Editor of the Shelby Aurora while thinking of the State's indebtedness wrote the following: What Russia will do about it is not troubling us half so much as to know where the money is to come from to meet those little bills for current expenses that are outstanding against North Carolina." The editor of the Aurora is right. The people of North Carolina are much more interested in how the States great indebtedness is to be paid than they are about foreign affairs—and still the democratic dailies of the State are talking about the suffrage law of Vermont, the form of government in the Philippines and the island of Guam instead of telling people how they propose to pay off the States indebtedness, where they are having to issue bonds every two years to meet their extravagance. And if they wish to and must talk scandal why not drop the post office scandal, and tell their readers about the lice eating up the convicts at the camp at Castle Haynes, something about the inmates in the Fayetteville jail and about the State authorities marching convicts shackled together through the frozen mud from Spruce Pine to Marion on one of the coldest days of last winter, and then they might tell about the increase in crimes in the State and give cause for same. And tell about working the convicts at the penitentiary on Sunday.

"NICK WILLIAMS" DISTILLERY SEIZED. Charged With Defrauding the Government—A Big Lumber Contract. Asheville, N. C., July 18.—Information concerning an immense lumber contract was learned here today through John E. Hurst, a veteran "logging" man. Creed Boyer and other East Tennessee parties have agreed to furnish Philadelphia within the next twelve months six million feet of lumber, taken from the Balsam Mountains and Scott Creek sections in Jackson County. Every variety will be felled except chestnut, oak, on account of value of oak bark for tanning. The timber will be cut on six thousand acres. Mr. Hurst came here to purchase axes and saws. The lumber will be shipped from Addie in Jackson county. Work will begin at once.

When the fact was disclosed in revenue circles last night that the "Old Nick" Williams rectifying plant in Yadkin county had been seized a few days ago, it caused surprise. Packages of whiskey were found in the establishment valued at about \$16,000. It is charged by Republicans that because Glenn Williams is a member of the Democratic State Executive Committee an exception of his plant which is the largest in the State, was made. It was learned this afternoon that Williams would probably be charged with intimidating an officer in addition to the charge of refilling packages.

FEUD IN BREATHTH COUNTY. Ewen Makes His Will Before Returning to Testify in Bribery and Arson Case—Fusion County Men Are Likely to Be Involved—Twenty-seven People Killed and No One Punished. Jackson, Ky., July 19.—A renewal of feud troubles is brewing here. The special grand jury called by Circuit Judge Redwine to investigate the charge of attempting to bribe B. L. Ewen not to testify against Curtiss Jett and Thomas White in the Marcum murder case, and the charge of arson for the burning of Ewen's Hotel, after he had testified, convenes here tomorrow. The instructions of Judge Redwine are anxiously awaited, as it is reported that the grand jurors will be asked to go into a sweeping inquiry concerning conditions in Breathitt County, where twenty-seven lives have been lost since the Hargie-Cardwell feud started, and where no one has yet been punished for any of these capital offenses. In the event of a general inquisition, it is conceded that persons highly connected will be involved, and trials for the killing of Dr. Cox and Town Marshal Cockrill Jett and White for the murder of Marcum.

It is feared that trouble may be begun when B. L. Ewen returns here tomorrow from Lexington to testify against well known citizen for offering him \$5,000 cash if he would not testify against Jett and White. In anticipation of the worst, Ewen while in Lexington, made his will

and arranged all his affairs. About \$4,500 was raised for him by popular subscription after he lost everything he had in the incendiary fire, and this he has fixed for his family. His wife and some of his children are here awaiting his return. Ewen has told Commonwealth Attorney Byrd and others the name of the man who offered him the bribe, and as it is said that the man has no means of his own the bribery investigation will extend to the one who was to furnish the money for the \$5,000 bribe offered Ewen. This town has been kept quiet under martial law by the provost marshal since Jett and White were transferred to the jail at Lexington a month ago, but many apprehend trouble the coming week, although the troops are still here. The militia has been continuously here for two months.

After the killing of Town Marshal James Cockrill there was no one to make arrests for over a year, until the soldiers arrived in May. Then City Judge Cardwell, who had been a prisoner in his own house for eighteen months, resumed holding court. The town trustees have just appointed Joseph Newland as marshal. Newland is considered one of the bravest men in the mountain districts. During the past seven years seven have held this position. Four of them were killed while on duty, and two of the other three were forced to resign.

It is expected that special grand jury will complete its work this week so that the attorneys, witnesses, and others can go to Cynthiana, where the next trial of Jett and White for murdering Marcum will begin on Monday, July 27.

No City Shows. For years fate was after me continuously," writes F. A. Galledge, Verbena, Ala. "I had a terrible case of Piles, causing 24 tumors. When all failed, Bucklen's Arnica Salve cured me. Equally good for Burns and all aches and pains. Only 25c., at drug stores.

South Africa Tobacco. South Africa is the field which is believed in England to offer an opportunity of being independent of the American tobacco leaf market. Near Pretoria a series of plantations have been opened, which are managed by Norfolk farmers sent out from England and directed by a professional expert; while in Rhodesia a series of plantations have been started by the able lieutenants of the late Cecil Rhodes. Experts of Virginia and North Carolina have gone out to South Africa under contracts with English capitalists to take charge of tobacco farms, factories and experimental stations.—Ex.
