## BEHEADED HER CHILDREN.

Negro Woman, Crazy by Her Deeds, Obedient Daughter as a Sacrifice.

Columbia S. C., Aug. 9.—At Church Flats, Orangeburg County, to-day Lizzie Aiken, a negro woman, slew her two young daughters, completely beheading them with an ax. She then kindled fires around the bodies.

The woman has been attending revivals lately and became enthused over religion. She is evidently demented. Explaining her action, she said a dog told her the world would come to an end unless she killed her children. This she considered a message from God. She was taken to jail in Waterboro.

## Head Remained in Her Head 17 Years.

Seventeen years ago, when Mrs. W. L. Hogue was 4 years old, she was playing with some beads and in some way got a glass bead about the size of a pea up her nose. The physician failed to get it out. After a few days the bead gave her no trouble and it was thought to have come out. Last week she gave a violent sneeze and felt something come into her nostril. It was taken out and there was the bead that had gotten in there when she was a child. The bead gave her no pain when it came out and it is strange to know how the bead stayed there so long without giving trouble.—Gastonia News.

## Wreck on the Southern Near Gastonia.

Charlotte, N. C., August 10.—The wreck of No. 35, the Southern Railway's fast southbound train, one mile north of Gastonia, at 11 o'clock tonight, resulted in serious injury to Engineer Black and his colored fireman and Postal Clerk Birefield and Sharpe.

Southern Railway officials here declare that the train ran into an open switch, but the engineer on the train says the boiler exploded while the train was running at an unusual high rate of speed.

## Judgements Amounting to \$600 Against Gold Hill Copper Co.

Charlotte, N. C., August 10.—B. B. Miller, of Salisbury, N. C., was named today as temporary receiver of the Gold Hill Copper Company by Judge B. A. Long, of the Superior court upon application of Salisbury and Gold Hill creditors. Judgements to the amount of \$6,000 have been taken out against the copper company.

## A Negro Killed While Robbing A Post Office.

Norfolk, Va., Aug. 8.—A negro was killed at Reams, near Petersburg, today. Hugh Ennis, the son of the postmaster, heard an unusual noise very early, and loading his gun with bird shot, went to investigate. He caught a negro in the act of robbing the office. The negro advanced toward Ennis threatening with a bludgeon after being warned, and Ennis fired the full charge into his face. The negro fell mortally wounded and died in a few minutes. The negro was unknown in the neighborhood. In the woods a short distance away a white horse was found hitched. It is supposed to be the horse the negro rode from a distance.

## ASKS NO PARDON BUT ACQUITTAL.

Michael Keller, aged 80, has spent 50 years in jail refusing pardon.

Frankfort, August 8.—Michael Keller celebrated his eightieth birthday in jail, where he has been a prisoner for fifty years. Three times commutation of his sentence was offered him, but he refused "the king's grace," maintaining that he was innocent. Keller a barber by trade, is accused of having cut a man's throat for the purpose of robbery. He says the killing was accidental, as his knife slipped.

## Two Rag Time Anthems.

A colored divine from Salisbury was holding a meeting here last week and during the services he told the congregation that he had two songs to sing for them; that everywhere else he was paid five dollars each for singing them, but because of the friendly relations between the Asheboro negroes and himself he would render two for five dollars. At once the congregation set to work and raised the money, for which they received two fancy ragtime anthems.—Randolph Argus.

## Old Lady Drowned.

Salisbury, N. C., Aug. 8.—Mrs. Emma Henly, aged sixty-seven years, an estimable lady of Turnersburg, Iredell county, was drowned in Third Creek, three miles west of Statesville, Thursday afternoon. Mrs. Henly was visiting relatives in West Statesville and had driven out on a small road bridge when the horse shied, throwing the vehicle and both its occupants into the stream. The buggy fell on Mrs. Henly, who was quite large and heavy, holding her under water until life was extinct. Mr. Arthur Turner, who accompanied her, escaped without injury.

Wonder if John S. Cunningham heard the gubernatorial bee buzz in his bonnet every time he attends a farmers meeting? He would be disappointed if he did not.

## The Designer For September.

The early autumn number of The Designer is in many respects the most remarkable issue of this popular magazine for women that has ever appeared. The art work is of an unusually high order, and the articles are brimful of entertainment and helpfulness. Fashions and millinery for autumn are tastefully set forth, and "Millinery Lessons" and "Points on Dressmaking" assist the Amateur to attain excellent results in both. A most novel departure is the appearance in this number of the editorial article of "Fashion Notes for Men," which is takingly illustrated, and supplies thoroughly up-to-date items on the various smaller items of the masculine toilet. Fashion notes for women are given in "Woman's Fads and Fancies" and "Fashions and Fabrics," both of which describe and picture what is displayed in the most exclusive shops.

## The Way To Win A Woman.

How many men would not pay a high price for an infallible recipe of the way to win a woman? The man whose character hangs in the set of his coat, and whose talent is consummated in his ability to dance a two-step, may be well enough to look upon and tread a measure with; but when a woman considers giving up her love and life, she wants a real man—one with firmer characteristics than these. In The Cosmopolitan for August Lavinia Hart, in an able article, attempts to solve the problem of "The Way to Win a Woman."

The Charlotte Observer says there has been a decline in the number of candidates for the ministry in all the churches.

Then all the churches are to be congratulated. If only those who are called would apply, the profession would be greatly improved and the vineyard of the Master cultivated to better effect.—Asheville Register.

The Review of Reviews for August describes the electric power plants of importance, one on the Hudson River, one in Southern California, and one on Mount Rainier, in Washington State. These developments serve to indicate what might be accomplished in hundreds of places through the utilization of water power now going to waste.

That eccentric American genius, James McNeill Whistler, who died suddenly in London on July 17, is sketched in the Review of Reviews for August by Mr. Earnest Knauft; portraits of the artist and reproductions of some of his characteristic works accompany the article.

## HUSBAND MURDERED BRIDE.

Swallowed Morphine After Firing Two Shots Into Wife's Body.

Lancaster, Pa., Aug. 9.—A bride of four months, Mrs. Edgar H. Frantz, aged nineteen years, is dead, slain by her husband, a well-known young drug clerk of this city. Frantz is dying from the effects of morphine, which he swallowed after firing two bullets into his wife.

The woman was murdered in her sleep. Frantz left a note, in which he said they had agreed to die together, but from the note and other facts it is believed Mrs. Frantz was the unsuspecting victim of her husband's jealousy.

## Drowned While in Swimming.

Tarboro, N. C., Aug. 10.—Marvin Hill, the ten-year-old son of Mrs. Lucien Pope, of this place, was drowned yesterday afternoon about 3 o'clock near the boat landing while in swimming.

## MISS MAY MARKELL,

A Society Belle of London, Canada.

MISS MAY MARKELL of London, Ontario, Canada, is a beautiful girl who knows what suffering is and Wine of Cardui has brought her back to health. She is one of the social favorites of her home and her recovery to health has permitted her to enjoy the company of her many friends instead of lying on a bed of sickness and suffering. For the health she now enjoys she gives credit to Wine of Cardui. She writes:

"I have found Wine of Cardui an excellent remedy for female trouble. I suffered for three years with terrible bearing-down pains at the menstrual period. I could hardly stand on my feet and was never really well. Wine of Cardui was the only medicine that I could depend on to do me any good, as I tried several with no success. Wine of Cardui cured me and I have now enjoyed perfect health for two years, and give you all the credit for I know you deserve it."

For a young
