"I was afflicted with heart trouble for three years. I would be apparently all right, and without a moment's warning would fall as though shot. The attacks were frequent, and a terrible dread possessed me, as I never knew when or where, nor under what conditions I would be attacked, and whether I would survive them. I consulted and was treated by some of the most eminent physicians of the state. Not finding relief from this source, I began taking Dr. Miles' New Heart Cure, and began to improve at once. I used ten bottles, which entirely cured me, as I have not had an attack for five years."—MRS. JOHN DRZSBACK, Leipsic, O. "I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing corn and feeling bad all day; in the afternoon in plowing one row I had to lay down, or fall down, three times. My heart throbbed as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Previously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerable for an old man, 84½ years old."
