Japanese Admiral Practically Annihilates Navy

DEFEATS

BATTLE IN THE STRAITS OF KOREA | gasaki dispatch to the State Department:

According to Information Received at the State Department in Washington, the Battle Began Saturday, the Japanese Sinking the Russian Battleship Borodino, Four More Warships and a Repair Ship.

According to the latest information, the battle between the Russian and Japanese naval forces for the supremary of the Oriental seas, on which hangs the outcome of the far Eastern striggle, has begun, if it has not terminstel decisively. All the dispatches received point to a Japanse victory. though it is not yet known whether the full force of Vice Adrimal Rojestvensky's fighting ships took part in the both have a lofty spar deck fully 30 sky's defeat has given rise to renewed contest, which, according to the dispatches, took place in the comparatively narrow waters of the Straits of Korea. The first information came in a inches of Krupp armor. Another pair eign Minister, M. DelCasse, while from other warships and a repair ship in the Korean Strait, and this was fol-Department, the date of which ernment had made the announcement that its fleet had engaged the Russians in the Straits of Korea Saturday partment also received information that two of the vessels reported to have been sunk were the sister battleships Orel and Borodino, and that three of the other ships were cruisers. From of Admiral Togo. Tsingtau, the German port on the Shantung Peninsula, came a report that a minning naval engagement took place hear the Island of Oki, in the Sea of ing the Korean straits Sunday, head-Japan, 200 miles northeast of the ed for the channel between Tsu Island Straits of Korea, and that the whole and the Japanese coast. Russian fleet did not participate, the slow vessels having been sent around tion of Admiral Togo's fleet has been Japan. Russian sources give no news almost constantly at Masampho bay. of the battle, while the Japanese govtrament, following its custom, is silent as to either the battle or its outcome.

"Tokio, May 27 .- Japanese met and engaged the Baltic squadron this afternoon in the Straits of Fushima, which was held. Cannonading was heard from shore." From information which has been received in Washington it is believed that two of the Russian ships reported to have been sunk in the Korean Straits by the Japanese are the Orel

RUSSIANS

and her sister ship, the Borodino. They are battleships of 13,000 tons. Three other vessels reported sunk are believed to have been cruisers, the remaining one being a repair ship.

The Orel and Borodino are of 13,516 tons displacement each, heavily armed, well protected, and were designed to deep depression in official Russia, make 18 knots. They measure 397 feet by 76 feet, with 26 feet draught, and feet above the water line, extending talk of peace. It is pointed out by the from the bow to the quarter deck. For- Associated Press' St. Petersburg corward is mounted a pair of 12.4-inch respondent that Russia, in this crisis, guns in a turret protected by eleven will turn to France, through its For-

They have under the law six months' time, but it is expected they will valarge. Many correspondents continue to cate earlier. If they take all their report that fruit, especially apples, are time they will hold on until November

Killed in Explosion.

Wilmington, Special.-W. H. Corbett a colored fireman, was instantly killed and his body is buried beneath the debris of two brick buildings that were wrecked early this morning by a boiler The State Department of Agriculture explosion at the plant of the Hilton Monday evening gave out the following | Lumber Company, in this city. The engine room and saw mill, with the machinery in both, were almost completely demolished, causing a loss of upwards of \$25,000, which is partially. at least, covered by insurance. The shock of the explosion was felt all over the city, a distance of two miles, and buildings were shaken to such an extent that many people thought it was shift of employes of the mill had not gone to work, else the loss of life would have been great. One of the six large boilers was blown from its foundation

and crashed down on its end through the mill building. The fire department was called out, but the explosion was so complete that the fire from the furnaces did no damage.

Hoisted White Flag.

London, By Cable .- The Tokio correspondent of the Daily Telegraph says a Russian warship has arrived off Iwami, on the southwest coast of Japan, and hoisted the white flag. The dispatch says that 300 men and officers, many of whom are wounded. are being assisted by the Japanese Red Cross Society there.

Novel Case Decided.

The Supreme Court delivers an opinion in a novel case, but one of general importance, this being of a citizen of Asheville against an electric company for cutting down a tree which shaded his yard, despite his protest. The court holds that the felling of the tree was not necessary for the purposes of the city and that the latter had no right to allow it to be felled for the benefit of a private corporation. If it had been for the better use of the street by the public, it would have been proper. The owner is allowed his claim for \$500 dam-

To Increase Endowment.

Wake Forest, Special .- The trustees of Wake Forest College Friday morning, on recommendation of Dr. Charles E. Taylor, passed a resolution making Dr. Taylor special agent of the college in raising the funds for increasing the endowment. Dr. C. E. Brewer, professor of chemistry, was elected chairman of the faculty, in view of the fact that Dr. Taylor's frequent absence from the college. Dr. Frederick K. Cooke, dean of the school of medicine, will retire, and the executive committee will elect his successor during vacation.
