ROLL OF NEXT HOUSE

This Unofficial Statement contains Interesting Facts

MAJORITY OF REPUBLICANS 54

Congressional Statistics Figure Out the Returns and Give Out an Unofficial Statement Final Figures Give the Political Complexions of the Next House Nine New Members Elected—A List of Those Who Failed of Re-election—Some Interesting Facts About That Branch of the 60th Congress.

A special to the Charlotte Observer from Washington says:

Congressional statisticians who have been here the past few days figuring on the status of the House of Representatives in the 60th Congress, have reached the conclusion that the Republican House majority will be fifty-four. This is as near final as the estimate can be made until the clerk of the House has received certificates of election, and will stand as correct, probably, until all contested election cases have been finally decided.

This unofficial statement contains some very interesting facts about the new House. Of the members elected to the Sixtieth Congress, 283 were re-elected, making 101 new members, of whom 61 are Democrats and 40 Republicans. Of the new members 16 have served in Congress prior to the Fifty-ninth, while 85 are entirely new to the congressional experience.

Unofficial returns show that the Republicans have elected 219 and the Democrats 165, a Republican majority of fifty-two. There are two vacancies yet to be filled, one having been caused by the death of Gen. Ketchum, of New York, and the other by the death of Rockwood Hoar, of Massachusetts. It is expected both these districts will elect Republicans, giving the majority of fifty-four figured on.

FEARFUL STORM, CENTERING IN MISSISSIPPI DELTA.

Death List Put at 8—Scores of People Injured and Property and Crops Suffered Great Damage.

Memphis, Special.—Eight persons are known to have lost their lives, scores of others injured and property and crops suffered great damage, the extent of which, because of the meagre reports yet obtainable, can not be estimated at this time as a result of one of the most torrential rain and wind storms ever experienced in this section. The storm, which originated on the Gulf Saturday night and early Sunday morning swept northeastward through portions of Alabama, central and northern Mississippi and western Tennessee and its northward course razed scores of substantial buildings, partially demolished hundreds of others, caused a complete demoralization of railroad traffic and cut off telegraph communication with many points in the affected territory.

Three Killed in Okolona. New Orleans, Special.—Three persons were killed near Okolona and a number of houses blown down and others unroofed.

At Macon, Mr. and Mrs. Benjamin Welford were caught in the debris of their home and are believed to be fatally injured.

At Winaha, 40 persons are said to be injured, but none seriously.

At Mathison, all of the southern part of the town was blown away, including the Baptist church and the public school building.

A negro woman was killed and several other persons were injured.

At Lexington the building occupied by the Lexington Advertiser caught fire and was completely destroyed.

Serious Damage in Northern Louisiana.

Shreveport, La., Special.—A heavy wind, rain and electric storm swept over northern Louisiana Saturday night and in some places caused serious damage. The storm lasted several hours, flooding streets and causing washouts. At Arcadia the electric storm was severe, several residences being struck by lightning. The electric light plant was put out of service, and the town was in darkness all night.

Inspection of Cattle.

Montpelier, Vt., Special.—Vermont Cattle Commission, which recently resigned with the investigation into the sale of diseased cattle for alleged food purposes, cost the State \$82,732, according to its biennial report just published. The report states that a largely increased number of farmers has asked for inspection, trebling the work of the commission.

Dallas, Tex., Special.—The Mobank Hotel, at Mabank, Texas, was destroyed by fire and Abraham Mithall, of Dallas, a traveling salesman, was burned to death.

Ottoman Steamer Damaged by Fire. New Orleans, Special.—The British steamship Custodian, which sailed from New Orleans for Liverpool Nov. 14, arrived in port Sunday after having had a fierce fire burning in her hold for three days. Part of her cargo, which consisted of 24,000 bales of cotton and lumber has been discharged and the fire is now under control. The port side of the Custodian's main deck was badly warped by the intense heat. It is expected that the vessel will be able to put to sea again in a few days.

By Wire and Cable. A proposed act for uniform divorce regulation was submitted to the divorce congress in Philadelphia.

The Immigration and Industrial Association formed in Nashville, Tenn., elected Gov. D. C. Heyward, of South Carolina, president and resolved to meet next year at Birmingham, Ala.

IS SHOT TO PIECES

Asheville, N. C. Murderer Pays the Penalty

NOT WILL HARRIS, HOWEVER

Negro Found in Woods Near Fletcher, 12 Miles from Asheville. Two Members of Posse Injured.

Charlotte, N. C., Special.—James Harvey, the notorious negro desperado who on Tuesday night shot and killed two police officers; three negroes, and wounded a police captain at Asheville, N. C., and then escaped, hotly pursued by hundreds of infuriated citizens, well-armed, was captured Thursday morning in the woods near Fletcher, twelve miles from Asheville, and his body riddled with bullets. A long distance telephone message from that place, states that there was no doubt whatever as to the identity of the negro. It is stated that the first shot was fired by a Southern Ry. detective and that two members of the searching posse were injured in the capture and combat with the negro. The shooting began as soon as the negro was found. The mutilated body of the negro is now being brought to Asheville by the posse.

It will be remembered that immediately following the fiendish crimes of the negro, large parties of Asheville citizens filled with a burning passion for revenge of the crimes of the negro desperado, armed themselves to the teeth and began a systematic search of the neighboring towns and country around Asheville. All through the night different posses departed and up to morning, when the black murderer was captured and killed, the ardor of the search has never lagged for a minute. Blood hounds were used in the chase, but with little effect. Different rumors came in during the night as to the whereabouts of the negro, but it was not until morning that he was positively located.

The crimes of the negro were the most daring and uncalculated for occurring in this State in many years. Without the least provocation the negro emerged from a house on Valley street loudly proclaiming himself to be the noted Charlotte desperado, and began shooting on first sight of a man. When an attempt was made to arrest the negro who had already killed two negroes with his rifle and was shooting into houses promiscuously, by officers, it took the negro only a few minutes to leave two dead officers and one wounded in his bloody wake. Feeling at Asheville, among both blacks and whites has been at fever heat, and the quick ending of the negro's murderous career was merely the expected result, whenever he should have been found.

The Capture and Killing.

Asheville, N. C., Special.—The dead body of the negro murderer of five men here on Tuesday night was brought here. The body was fearfully mutilated having been pierced by dozens of bullets. It is not known to a certainty that the dead negro is the notorious Meeklenburg county negro, Will Harris, but it is certain that he is the one who did the killing here Tuesday night.

It is stated that one of the balls from his rifle glazed the head of one of the posse.

The rifle was the same with which the negro did his bloody work here. There were over fifty men in the party who found the negro, and dozens of shots were fired effectively at the negro.

His body was later identified as that of James Harvey, of Forest City, Va.

Masons in Session. Phoenix, Ariz., Special.—The Masonic bodies of Arizona began their annual meetings at Phoenix with a good attendance of visitors. The Masonic Grand Lodge, Knights Templars, Eastern Star and Royal Arch Masons are in session.

Wish to Arbitrate. Chicago, Ill., Special.—Fearing that the agitation for increased wages has reached the point where it threatens the successful operation of the railroads the executive officials of all the lines west of Chicago have decided to ask the Interstate Commerce Commission to become the board of arbitration for the settlement of all disputes between the employees and the railroads. It is hoped that by this means to remove the danger of strikers for all time.

Death Result of Hold-up.

New York, Special.—A hold-up by six men in an automobile in Central Park, west, early Thursday, cost one of the automobilists his life. He was run down by a big touring car when the hold-up men were making a dash for liberty and so severely hurt that he died in a hospital soon afterwards without regaining consciousness. The dead man was Wiggs Brandt, a chauffeur, aged 31 years.
