WAKE COUNTY NEWS.

The Raleigh Leaf Tobacco market opened Friday. About 8,000 pounds were sold the opening day. Most of the tobacco was primings and lugs.

Mr. Eugene B. Sturgen, a prominent citizen of Apex, this County, died Friday morning. He was a shipman during the Civil War, and was on hand at the fall of Fort Fisher.

Deputy Collectors Downing and Adams destroyed a large blockade distillery Tuesday morning, six miles north of Cary. The blockade made their escape when they saw the officers coming. Four fermenters and 1,500 gallons of beer were destroyed.

Mr. David DuBois, who was superintending some work on a trestle on the Norfolk and Southern Railway near Raleigh, was struck on the head by a falling block Wednesday evening. The block cracked the young man's skull and there is small hopes of his recovery.

The children employees of the five cotton mills in Raleigh were given a nice outing Saturday. The Street Car Company gave them a free ride over the city. They were then carried to Pullen Park where the "Sunshiners" and a committee from the Associated Charities served them with nice refreshments. It was a happy day for the children.

Mr. Thos. E. Greene, of Raleigh, has bought an interest in the Raleigh Furniture Company and has been made Secretary of that Company. Mr. Greene was formerly city ticket agent of the Southern Railway, and was indicted together with the Southern Railway some days ago for selling tickets for more than 24 cents per mile. Mr. Greene promised not to sell any more for over 24 cents and was let off on five dollar fine, while the road was fined \$30,000.

To Test Anti-Trust Law.

An important action will soon be tried in a magistrate's court in New Hanover County which will test the force of the anti-trust law of this State, and it is probable that the case will be carried up to the State Supreme Court. The action grows out of an affidavit made by Mr. Albert E. Peschau, of Wilmington, before Justice Borneemann charging that on July 27th the Diamond Match Co. sold to the J. G. Stevenson Co., of Wilmington, a large quantity of matches made or controlled by that Company, of the value of \$25, or more, through Walter Buoy, agent, the defendant, upon condition that the said J. C. Stevenson Co. should not deal in any other matches of any other make or manufacture. This is alleged in the affidavit being against Chapter 218 of the Public Laws of North Carolina, passed by the legislature of 1907, and contrary to the law and against the peace and dignity of the State. It is further charged that the said defendant unlawfully and willfully aided and abetted the Diamond Match Co., in making the sale of said matches to the J. C. Stevens Co., upon the conditions named before that the said Company should not deal in matches other than of their own make or manufacture. A warrant was issued for Mr. Buoy by Magistrate Borneemann and he was arrested and placed under a \$1,000 bond for his appearance July 31st, when the case will be heard.—Ex.

[The case against the Diamond Match Company and the drummer was called in Wilmington on last Thursday, but the defendants waived examination and was bound over to Court in a \$1,000 bond.—Ed.]

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
