Traveling Passenger Agent,

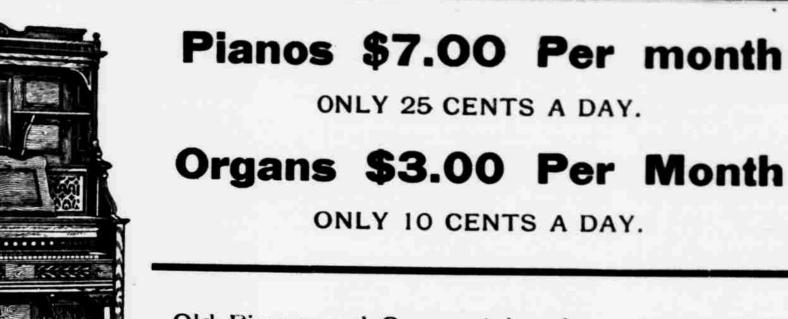

And Organs have Been Sold in Raleigh This Year Our Fifth Car Load Has Just Arrived

The finest and prettiest stock of Pianos and Organs ever shown in North Carolina.

The Kimball is celebrated throughout the world for their wonderfully deep, brilliant, mellow, singing tone, and marvelous durability. They are used and endorsed by the world's greatest musicians. Over one thousand colleges and school use and prefer them to all others. They are in over a half a million homes throughout the world in every civilized country.

The largest factory in the world, virtually at your door; a permanent branch office in Raleigh, where the Kimball can be bought at factory prices at a saving of \$50 to \$100. Sold direct from factory to home.

The only one price factory in America. A child can buy as well as the best trader. Every one gets fair treatment.
