Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs.

This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a

Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonials received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Two Pipe Organs for Raleigh Colored Churches.

St. Paul's Methodist Church on corner Edenton and Harrington streets, is putting in a \$2,250 organ, which will be the best organ in any colored church in Raleigh. Size and height 19 feet, width 20 feet. Depth over key-desk nine feet, weight 10,000 pounds, twelve stops, two manuals and pedals.

The Davie Street Presbyterian Church is putting in an \$1,850 organ. This has also two manuals and pedals, weight 7,000 pounds, and is a very fine organ. These are the first Duplex Tubular Pneumatic organs to be sold in Raleigh. The organs were built by the W. W. Kimball Co., Chicago, Ill., and were sold and are being installed by George H. Snyder, manager of the Raleigh branch of the W. W. Kimball Co. This makes more than \$15,000 worth of pipe organs sold this year by Mr. Snyder. In addition to this he has sold more than four car loads of pianos and reed organs. He just can't keep enough of them in stock, the demand is so great for the Kimball goods.

Every village has its oldest inhabitant, but he is never a woman.
