the trusts by imposing fines-but in this State they are not even required to pay a fine!

Ex-Governor Warfield says the State Treasury of Maryland is in a serious condition. Wonder how he accounts for that, since the Republicans are not in control?

The State Democrat has promised to furnish some history on nepotism amongst the Democratic office-holders. He might have an easy job if there was not so much of it.

The Washington Herald says that long hair is to be fashionable for men this spring. Wonder if the Democrats will incorporate a plank to that effect in their platform?

The employes of the Maryland Legislature for January cost the taxpayers \$1,288 an hour. Such in would yield \$180,000. stances reminds one of the recent Democratic Legislatures in this State

A recent issue of the Baltimore if honest and wise, is very profitable. Sun carried a headline, "Legislators It has recently changed hands again, at State Prison." We knew the Maryland Legislature was pretty bad, but didn't know it had come to that.

A Democratic paper says that the way for the Democrats to carry the next House is to seem not to be alive They are already acting that part well, but we don't believe the trick will work.

That woman who wants to run for Governor of New Hampshire, because she now has to pay taxes without being allowed to vote, should get married and let her husband pay the taxes.

The State Democrat says the greatest majority of people are happy and contented till somebody convinces them that they are miserable. And some of the Democratic papers are finding they are hard to convince at this time.
