

A CORRECTION.

In giving the forecast of the vote for State Chairman by districts, which appears on the front page of this issue, there is an error. The vote should be—

Fifth District with 189 votes, will give Morehead 168.

Sixth District with 67 votes, will give Morehead 47.

The error was a typographical one and was not discovered until the first forms had been run off.

IT IS MOREHEAD.

(Continued from Page 1.)

the resolution instructing the delegates to vote for John M. Morehead for State chairman was not introduced, but he will be supported certainly by 14 of the 17 delegates.

Davie Republicans for Morehead.

Spencer, Aug. 1.—The Davie County Republican Convention was held at Mocksville to-day when the "rock-ribbed" Republican county endorsed Mr. E. H. Morris, of Mocksville, for State Senator. Col. John M. Morehead, of Spray, was the choice of the delegates for the State chairmanship of the Republican State Executive committee. The Republicans of Davie predict big gains this year.

Morehead Granville's Favorite.

The convention of the Granville County Republicans was held in Oxford on July 30th, Dr. G. T. Sykes presiding, and with a full attendance of delegates. Resolutions were adopted endorsing the administration of President Taft, the course of Congressman Morehead—the mention of whose name was repeatedly greeted with applause. These delegates, of whom four are known to be in favor of Morehead for chairman, were elected without instructions: G. T. Sykes, C. J. Roberts, R. H. Rogers, J. T. Cozart, C. P. Hester and J. H. Gooch. The selection of candidates for the various county offices was deferred to a meeting to be called by the executive committee.

Franklin for Duncan.

The Republicans of Franklin held their convention on Monday, August 1st, and instructed in favor of E. C. Duncan for State chairman. This was not accomplished without considerable opposition. The delegates to the Greensboro convention are W. H. Yarborough, Jr., J. F. Mitchell, T. H. Whitaker, S. T. Gupton and T. J. Jackson. It was decided to postpone the selection of candidates for the county offices until August 23rd.

FORSYTH REPUBLICANS.

Seven-Eighths of Delegation for Morehead for State Chairman.

Winston-Salem, N. C., July 30.—The Republican County Convention here to-day named delegates to the State Congressional and Judicial conventions, and nominated county and legislative tickets as follows: For State Senate, Judge H. R. Starback; for House, Ed. M. Linville and H. P. Stimpson; for Sheriff, D. A. Jones; for Clerk of Court, Sam F. Vance; for Register of Deeds, Henry W. Masten; re-nominated for Treasurer, P. W. Crutchfield; for Surveyor, F. O. Jones; for Coroner, Dr. W. C. Linville; for Commissioners, J. A. Vance, V. O. Robinson, and J. E. Douthit. It is claimed that seven-eighths of the delegates to the Congressional and State Conventions favor the re-nomination of Congressman John M. Morehead, and his election as State Chairman. This is taken to mean that the name of Maj. J. E. Alexander, of this city, who had announced his candidacy for State Chairmanship, will not be presented to the convention.

NAILING A LIE.

(Continued from Page 1.)

Democrats appointed, and we only failed in the matter of Judgeship, because the organization absolutely refused to endorse any Republican whom they did not think it could control body and soul. During this very severe contest, I made a remark that in the appointment of a Judge, I would even prefer to see the President go outside of the State than outside of the Republican party, and you may rest assured that I got the usual roasting from all Democratic slanderers. Only a day or two ago I saw where a Republican maliciously misquoted this remark and attempted to make me say that I wanted some one out of the State to be appointed. I could have expected such false quoting from Democratic sources, and I suppose must learn that it will come from pie-counter sources in our own ranks.

"I shall be a candidate for the Chairmanship and shall bend every effort toward the building up of a strong, militant, successful party. To do this recruits must be invited and fairly treated, but at all times I favor the appointment to office of those who have served faithfully and a preference should be given to those that have served best. I am not going into any unseemly scramble, because I have absolute faith that the people will finally come into their own and take charge of the only party which thoroughly represents the people. I am glad to have the

occasion to correct this slander, though I am confident that it will be replaced by a new one.

"With regards and best wishes. Very truly yours, JOHN M. MOREHEAD."

"WHITE" LETTER REPUDIATED.

Nash County Republican Writes of White and Lusk Letters—They Are Aid and Comfort to the Democrats.

Editor Caucasian:—

It has been many a long day since I undertook to write a line for publication, from the fact that while I try to keep posted on political matters, I am not politician, am not seeking any office, neither asking nor expecting any "political pie."

I am a Republican from principle and greatly desire to see Republican principles triumph throughout the entire State; and I greatly deplore the attitude of some few, who seem to think the best way to build up (?) the party is to drive off those recruits coming from other parties, and to "belittlet" and misrepresent some of our strongest men. How we can ever hope to carry the State by such methods I can't understand.

It matters not how much we may differ as to men and measures, all letters of the "White" and "Lusk" variety should be repudiated by all Republicans who desire fair play and wish to see their party grow.

Mr. Butler is not candidate, as we understand, his name having been brought forth by opponents of Mr. Morehead in order, as they thought, to weaken his (Mr. Morehead's) chances for the State chairmanship. But from the way Guilford and other counties have acted, they will no doubt see their mistake after it is too late. Now as to Mr. Morehead, we've only to say that any man who can turn a Democratic majority of over five thousands into a Republican victory is good enough for us for State Chairman or any other office to which he may aspire.

Nash County delegates were not instructed, but they are practically solid for Morehead, I am told.

Yes, a few more letters of the "White" and "Lusk" stripe will make it unanimous for him.

FAIR PLAY.

THE MARRIAGE ANNULLED.

The Wife Did Not Like Prevailing Marriage Customs.

New York, July 28.—The Supreme Court to-day annulled the marriage of Albert Gerow and his wife, Eleanor, two prominent Wellesley graduates.

The first day they were married the wife informed her husband that theirs was to be only a platonic relationship. They separated several times and finally she left him for good and wrote him that she could never be made to believe that the prevailing marriage customs were commendable.

The Republican State Chairmanship. Bessemer City Messenger.]

At the Greensboro Convention, the 10th of next month, will be decided the fate of the Republican party in the election of a State chairman. If Duncan or Adams, or any man who advocates a Duncan or Adam collar is elected, then the loyal Republicans, the masses, might as well "hang up the fiddle and the bow." If Morehead or any other progressive and loyal Republican is elected, then the masses will crawl out from under the weeds and bustle up to the enemy with confidence and victory. We want a chairman who will not throw obstacles in the way of rising and progressive Republicans. We say this in all sincerity, without malice, vindictiveness or any other motive than to see our glorious old party rise in her might in North Carolina and come into her own. Let every delegate in the State who wants this State of affairs brought about go to work.

Attack on Gompers.

Denver, Colo., July 29.—President Moyer, of the Western Federation of Miners, who was called an undesirable citizen by Theodore Roosevelt when he was one of the chief figures in the Couer d'Alene troubles, yesterday made a bitter attack on Samuel Gompers, President of the American Federation of Labor, declaring his retirement would be a blessing to the working classes. Other members of the Miners' Federation have also attacked Gompers.

"Neither Gompers nor the American Federation of Labor can turn us from the policy to which we are pledged, industrial union and concerted action in politics," said Moyer. "We can help change the policy of the Federation if it is wrong, after we have affiliated with it. Gompers ought to be retired on a pension."

WIDER ROUNDED UP BY POLICE.

Absconding Cashier Picked Up in a Restaurant—He Who Stole \$500,000.00.

New York, July 29.—A frail little man with grey cheeks and hollow eyes in whose manner and presence there was nothing to suggest that single-handed he had coolly lifted \$500,000 in bonds and stocks from the strong box in a bank, was arrested to-day in a down-town restaurant, not five minutes' walk from the

bank he had robbed. He was Erwin Wider, the missing cashier of the Russo-Chinese bank. In the court of General Sessions his lawyer, Leon Ginsberg, said that he would plead guilty and he was committed to the Tombs in default of \$25,000 bail.

Mr. Taft at Home.

Beverly, Mass., July 8.—Immediately after his arrival here this afternoon on the Mayflower, Mr. Taft sent a message to Warren G. Harding, the Republican nominee for Governor of Ohio, congratulating him. It is likely that Mr. Taft will send a letter endorsing Harding for Governor to use in the campaign.

Two more clerks were added to the staff to-day to catch up with the business that has been allowed to accumulate during the vacation of the President.

Two Raptists Lynched.

Bonifay, Fla., July 30.—Two negroes, after confessing to the murder of Bessie Morrison, twelve years old, were hanged here by an infuriated mob this afternoon.

The negroes were traced by blood-stains on the ground. It is believed that the blacks lay in wait for the girl, assaulted and then murdered her.

While on their way to jail with the prisoners, the officers were overpowered by a mob. The negroes were taken away and strung up on a tree and their bodies riddled with shot.

Guthrie Will Remain Oklahoma's Capital.

Guthrie Oklahoma, July 28.—The State Supreme Court denied to-day the writ of prohibition asked by the Governor to enjoin Judge Huston in the District Court from enforcing the injunction issued by him to restrain the removal of State offices and records from Guthrie to Oklahoma City. All State officers with the exception of the Governor, over whom the court has no jurisdiction, are required to remain in Guthrie pending a final determination of the case in the court.

Gets Four Years for a Five-Cent Felony.

New York, July 28.—John Benton, 36 years old, was sentenced yesterday to four years in Sing Sing for stealing a 5-cent hand mirror from the pocket of Oscar Trumble in the Grand Central station of the subway on July 18th. In general sessions Mr. Trumble said that he did not care for the man to be punished severely for so small a crime, but Judge Foster said that Benton has been arrested eight times since 1874 and had spent most of the 36 years in prison for grand larceny.

Swanson for Senator.

Richmond, Va., Aug. 1.—Former Governor Claude A. Swanson, of Chatham, will occupy the seat in the United States Senate made vacant by the death recently of Senator John W. Daniel. Governor Mann today signed the formal commission appointing Mr. Swanson for the unexpired term, which will end on March 3rd, next.

Alienists Say That Charlton is Insane.

New York, July 29.—Four alienists are alleged to have made report to-day to the family of Porter Charlton, who is charged with murdering his wife and throwing her body in Lake Como, Italy, and whose extradition to Italy is causing much speculation, in which they say that Charlton is insane.

Climb on Band Wagon.

Durham Herald.] It begins to look as if the only way the leaders can prevent Mr. Morehead from drowning them is to come into his camp.

No man can boss a party unless it is willing to be bossed, no matter what may be said about it.—Durham Herald.
