FOR FARM LIFE SCHOOLS.

Officers and Members of the Farmers' Union in Wake County Urged to Attend Special Meeting in Raleigh Saturday.

Dear Brethren:—At a meeting of the officers of the Wake County Farmers' Union called, on request by President J. M. Templeton, and held in Raleigh on April 18th, to take preliminary steps towards securing for Wake County one of the Farm-Life Schools as provided for by the last Legislature, the following plan was adopted:

The President was requested to call a meeting of the County Union to meet in Raleigh on May 13th, with the understanding that the first hours be given to a general mass-meeting of all citizens, farmers and others, interested in the movement. Immediately after the mass-meeting an executive session of County Union will be held.

The secretary was requested to send out a circular letter advertising this meeting and to secure speakers, soliciting in the meantime the aid of the newspapers. The following speakers have consented to address the mass meeting: Dr. H. Q. Alexander, President of State Farmers' Union; Dr. J. Y. Joyner, State Superintendent of Public Instruction; Prof. Z. V. Judd, Superintendent of County Schools, and Dr. F. L. Stevens, of the A. & M. College.

In addition, Messrs. Clarence H. Poe, Joseph Daniels, L. F. Butler, J. V. Simms, Chas. E. Johnson, E. B. Crow, Joseph G. Brown, John T. Pullen, W. A. Wyatt, T. B. Crowder, and others of the city, together with Messrs. A. C. Green, C. N. Allen, Sr., J. E. Franks, A. T. Olive, Dr. J. M. Templeton, and other prominent farmers, are expected to give a brief expression of their views.

A number of "Farm-Life School Law and Explanations" have been sent from Superintendent Joyner's office to your Secretary for distribution. Please study the measure. This law was passed at the request of the Farmers' Union throughout the State and is its greatest achievement.

Now, brethren, this is a rare opportunity. Let's have a full meeting, not only of delegates, but bring every man in your community. Meet at the court-house at 11 o'clock sharp. Speaking will begin promptly. Fraternally,

T. IVEY, Secretary.

I am heartily in accord with the above plan and hereby officially call the Wake County Farmers' Union to meet in special session in Raleigh on May 13th for the purpose above-mentioned.

J. M. TEMPLETON, President.

BONDS TO BE ISSUED.

Wake County Commissioners to Be Asked to Call an Election August 31st

The Wake County Improvement League that was authorized by the last Legislature was formed Tuesday afternoon. Dr. R. H. Lewis was elected chairman and Mr. W. A. Cooper secretary. The purpose of this organization is to improve the roads of the county.

The league decided to request the Board of County Commissioners to order an election August 31st for the purpose of voting on a proposition to issue \$300,000 in bonds to improve the roads of the county. This matter will be taken up with the commissioners at their next meeting.

A new registration will be asked for. It is claimed that the interest in road work has progressed very rapidly in the last few years, and it is believed the people will vote in favor of the bonds.

Good roads organizations will be formed in every township and precinct in the county, and an aggressive campaign will be waged by those favoring the bond issue.

On the lands of the new company there is a railroad line of thirteen miles running from the present spot to Manchester on the Atlantic Coast Line. This road was owned formerly by the lumber company which had cut the timber and has been abandoned.
