

The Caucasian

Raleigh, N. C., October 12, 1911.

Local Matters.

Governor Kitchin has announced that he has offered a reward of \$400 for the capture of the person who broke into the house of Mr. H. W. Horne, at Monroe, Saturday night.

Governor Kitchin has granted a pardon to William Kirby, an aged man convicted in Caldwell County in August for selling liquor and sentenced to three months on these roads.

Preparations are being made for a banquet by the alumni of the University of North Carolina to-night. Dr. Edwin Mimms, of the Chair of English at the University, will be the guest of honor.

An interesting reunion during the State Fair will be that of the Scotch lads who have settled in North Carolina during the past five or six years. They will be quartered in the drill-room of Company B of the Third Regiment.

Walter Johnson, a negro, has been bound over to court in the sum of \$500 for breaking into a freight car at the Southern depot and stealing forty-seven boxes of plug tobacco worth at least \$180. Tom Morris, a white liveryman, has also been arrested as an accomplice.

The cotton farmers of North Carolina are being urged by President Alexander, of the State Farmers' Union, and Major Graham, Commissioner of Agriculture, to meet in the largest possible numbers in Raleigh, October 18th, to take some action in regard to the prices of cotton.

Mr. R. L. Lumsden, who last year was in charge of the information booth of the Chamber of Commerce at the Union Depot, has been employed in this capacity again this year, and has begun his duties of canvassing the city in search of available rooms and boarding places for Fair visitors. Secretary Olds urges everybody who has accommodations to telephone him at the Chamber of Commerce or communicate with Mr. Lumsden at the Capital Inn.

Stole Forty-seven Boxes of Tobacco. Forty-seven ten-pound boxes of manufactured tobacco of a brand made by a Winston-Salem firm, were found Saturday in this city hidden in the hay in Morris' livery stable. They had been stolen Monday from a car on the Southern yards. The crime has been fixed on Johnson, a negro, who has turned over to the superior court a team owned by him to haul the tobacco, but Morris to know nothing of the presence of the tobacco in his stable. There have been other thefts recently from the railroad yards and agents of the company are here searching for the thieves.

Gov. Kitchin to Check Downward Price of Cotton.

Governor Kitchin Monday received a telegram from the Governor of Texas, asking for a conference of Southern Governors relative to steps to check the decline in price of cotton.

Whether a conference of the Governors will be held to consider the question has not yet been announced.

Found "Blind Tiger" in the Open Near Baptist Church.

The Raleigh police found a oak-sage containing about seventy-five half-pints of whiskey in Moore's Square, near Baptist Tabernacle, Sunday night, the lot done up in such way as to indicate that it was the outfit of a "blind tiger." There was a man's cap close by that is expected will lead to the identification of the tiger.

Food for Consumptives.

Many traditions with regard to the feeling of tuberculosis patients and with regard to food in general, are given severe blows in a series of articles published in the October number of the Journal of Outdoor Life, the official organ of the National Association for the Study and Prevention of Tuberculosis.

Dr. John R. Murlin, of New York, Assistant Professor of Physiology at the Cornell University Medical College, holds in an article entitled "The Dynamic Principles of Nutrition," that a consumptive will gain weight and do well on three pints of whole milk, eight ounces of cream, five ounces of milk sugar, six eggs and two slices of buttered toast, as a ration for each twenty-four hours. The entire diet with the exception of the bread and butter could be prepared in advance and served for a cost of about 50 cents for the day.

Dr. David R. Lyman, of Wallingford, Conn., and Dr. Paul B. Johnson, of Washington, D. C., both agree that the ordinary person eats too much, and that the old notions about stuffing a tuberculosis patient at all times and seasons have been proven false. Dr. Lyman holds that eggs are not a necessary article of the consumptive's diet, and that a tuberculosis patient should eat only a little more than a person in ordinary good health.

STATE FAIR NEXT WEEK.

The Fair Opens Tuesday and Continues Four Days—Large Agricultural Display—Many Improvements in Buildings and Grounds.

Secretary Pogue announces that the State Fair which opens next Tuesday and closes Friday will be one of the best Fairs in the history of the association.

There will be a large display of farm products, live stock poultry, etc. There will be many free attractions, including daily flights of Beachey in his aeroplane. Governor Harmon, of Ohio, will speak at the Fair on Wednesday.

Secretary Pogue, in an interview yesterday, said that in all his experience he had never been so deluged with entries for exhibits, and says that the indications are that the Fair next week will surpass by anything ever seen in the fifty-one years that these State gatherings have been held.

Every possible arrangement is being made to insure the comfort and pleasure of the visitors. The buildings and grounds are in better condition than ever before. Two new fire-proof buildings have been added since last year. This will add 20,000 feet of additional space for exhibits. It has been the policy of the management to add a new building every year. Next year it is hoped to erect a new Machinery Hall and a new Woman's Building.

All is hustle and vim at the office of the Secretary. The visitor leaves with his head in a whirl or air-ships, Wild West shows, agricultural exhibits and all the multitude of attractions to be seen at the Great State Fair next week.

BURNED VICTIMS IN FURNACE.

Governor Kitchin Offers Several Rewards.

Governor Kitchin offered Monday a reward for Will McIntyre, wanted in Rutherford County for a series of crimes. He operated a blockade distillery and he is believed to have committed three murders for the purpose of robbery, and burned the bodies of his victims in the furnace of his distillery.

J. H. Milton disappeared September 7, 1906, and in November of the same year J. D. Atchley disappeared, and in 1908 there was a similar disappearance of L. B. Hines, each having been known to be at the blockade still just prior to their disappearance. It is only since the conviction of McIntyre for the blockading, the service of his sentence and his disappearance that suspicion has pointed to him as the perpetrator of the series of murders, and Solicitor A. Hall Johnson and numerous citizens of the section join in asking for the reward by the State.

It is alleged that human bones have been found that were from the furnace of the distillery. McIntyre is described as twenty-five years old, tall, dark hair and eyes, crippled so that he ordinarily walks with one hand on his knee. He is believed to have accomplices in the murders. The reward for him is \$200.

Other rewards, each for the same amount, are for Parm Peterson and Bob Peterson, wanted in Yancey County for the murder of Robert McCoy and the dangerous wounding of two negroes, September 22nd, at Green Mountain, and Hassell Joyner for killing James Herment in Wilson County September 23rd.

INSTITUTES MANDAMUS.

Dr. J. J. McCullers Still Fighting for a Place at the Feed Trough.

Dr. J. J. McCullers, who was named county health officer by the County Board of Health, has instituted mandamus proceedings against the County Commissioners, the sheriff, jailor, superintendent of the county home, and the road supervisor asking that they be made to permit him to perform the duties outlined for the health officer. The hearing will be before Judge Peebles, October 23rd.

It will be remembered that the County Commissioners had refused to recognize Dr. McCullers as county physician and had also refused him pay. The Commissioners have appointed Dr. Ralph Stevens to care for the sick in the jail and County Home. The outcome of the case will be watched with interest.

Coburn's Greater Minstrels.

The attraction at the Academy Saturday night will be Coburn's Greater Minstrels with the cleanest comedy, newest jokes, brightest fun-makers and sweetest singers to be found in minstrelsy. The company is too well-known to require endorsement. Charley Gano, principal comedian with the big show this year, is undoubtedly the best comedian ever seen with this attraction, and in spite of old favorites, is establishing a reputation throughout the Southern States as one of the best black-face men in minstrelsy.

One of the great laugh-producing features with the Coburn show last season was "Mantell's Marionette Circus." This big act has been retained this season, and will have all new features. There will be a grand street parade at noon. Prices are \$1.00, 75 and 50 cents, lower floor; 25 and 50 cents in balcony. Seats on sale Friday at the Tucker Drug-Store.

WHEN YOU COME TO THE FAIR.

When you come to the State Fair next week put just a little extra change in your pocket for The Caucasian. Our office is in the Elix Building on South Salisbury Street about one block from the post-office. We will be delighted to see you. As a matter of fact, we will be glad to have you call even if your subscription is already paid.

Big Fair Week Attractions at the Academy of Music.

Manager Nathan of the ever popular Academy of Music is leaving nothing undone to give this city the most attractive line of amusement that have ever been offered to Raleigh and her many thousands for any previous Fair week. On Monday and Tuesday nights, with a special Tuesday matinee, "The White Sister" will be given; the show is the same sterling attraction that was seen in Raleigh last season, and this year Miss Lillian Rhodes will portray the role of Sister Giovanna, the part in which Miss Viola Allen last season won great praise.

Miss Lillian Rhodes, in "The White Sister."

Miss Rhodes is an actress of exceptionally strong dramatic ability, and her rendition of the character is said to be as great as Miss Allen. Miss Rhodes was for a long while connected with the New Theatre in New York, and last season was starred in the great emotional success, "The Sixth Commandment." An unusually strong, supporting cast have been engaged to support Miss Rhodes in this great play, chiefly among whom are such well-known stage folks as Howard Sydney, Grace Young, Philip Lord, Effie LaCroix, Adele Leonard, W. W. Shuttleworth, Victor Fletcher, and Morris Foster. The entire scenic production that was seen last season will be again shown during the coming engagement of "The White Sister" on Monday and Tuesday of Fair week. The Prices are 50 cents to \$1.50. Seat sale opens Friday at Tucker Building Pharmacy.

Another big attraction booked for Wednesday and Thursday nights will be "The Winning Widow," with the Broadway Beauty Chorus of fifty, a car-load of scenery, and an all-star cast of singers and dancers. "The Winning Widow" can truly be called a song show. There are no less than twenty song hits that will linger in the memory long after the show has left Raleigh. This is the Academy's big musical offering for next week, and will, no doubt, be welcomed.

With the two above attractions, Manager Nathan believes that he has variety enough next week to please and amuse the most skeptical theatre-goer. The prices for "The Winning Widow" are 50 cents to \$1.50. Seat sale opens Monday at Tucker Building Pharmacy. Out-of-town orders for "The White Sister," or the big musical comedy, "The Winning Widow," must be sent to Marx S. Nathan, Manager Academy of Music, and must be accompanied by either post-office or express money orders.

URGE FARMERS' MEETING.

To Be Held in Raleigh October 18th to Take Action on Marketing Cotton Crop.

The cotton farmers of North Carolina are being urged by President H. Q. Alexander, of the State Farmers' Union, and Major W. A. Graham, Commissioner of Agriculture, to meet in the largest possible numbers in Raleigh October 18th to take some action as to the gradual marketing of the crop so that remunerative prices can be realized.

City Spending a Lot of Money.

The budget of the city of Raleigh will soon be made public. From the 1st of March to the 1st of October the city has already spent \$76,371.82.

NEW CLOTHING STORE.

Mr. C. E. Boone Has Opened in New and Handsome Quarters.

An elegant new clothing store has been recently opened on Fayetteville street by Mr. C. E. Boone. A large stock of fall goods have arrived and clerks are busily engaged putting them in place.

Mr. Boone's store is already open to the public, and many visitors and customers have already called to admire the handsome quarters or to make purchases.

For several weeks workmen have been remodeling the building formerly occupied by F. M. Kirby & Co.'s Tea and Store. Mr. Boone has given his personal attention to the remodeling and decorating of his new store. The fixtures are of the most modern type, and make an excellent showing. In fact, Mr. Boone's store is decidedly metropolitan in every respect.

Mr. Boone has been engaged in the clothing business in Raleigh for the past twelve years, and has many friends who are pleased to see his new business start under such favorable conditions.

Saved His Mother's Life.

"Four doctors had given me up," writes Mrs. Laura Gaines, of Avoca, La., "and my children and all my friends were looking for me to die, when my son insisted that I use Electric Bitters. I did so, and they have done me a world of good. I will always praise them." Electric Bitters is a priceless blessing to women troubled with fainting and dizzy spells, backache, headache, weakness, debility, constipation or kidney disorders. Use them and gain new health, strength and vigor. They're guaranteed to satisfy or money refunded. Only 50c, at all druggists.
