Many conventions are being held in the State this week and the matority of the counties will send delegates to the State Convention to be held in Charlotte on next Wednesday, September 4th. The Wake County Convention was held Saturday and elected twenty-six delegates to attend the Charlotte convention. Both Taft and Roosevelt men participated and all favor one State ticket. No resolutions were passed on the Presidential question. The Johnston County Republicans will hold their convention tomorrow and will elect delegates to the Charlotte Convention. City of Raleigh Enters Suit Against Company for Serving Unfiltered Muddy Water to City.

A warrant on the part of the city of Raleigh was served on the Wake Water Company Tuesday afternoon, citing the company to answer charges of unlawfully and wilfully serving unfiltered water to the people of Raleigh for domestic and drinking purposes.

Mayor Johnson and all the aldermen, except one, went to the plant Monday and found that the condition was unsatisfactory and they decided not to wait any longer for the water company to make promised improvements, but to enter suit at once and see what can be locally done in th
