this matter was postponed until the next meeting, in order to consider if the still kept up in Salem is ringing a noon-The representatives of the Indian and | city has the legal right to advance the hour bell, and every day, excepting Sundays and holidays, the church bell is rung at a quarter to twelve o'clock ; but Rev Wm R Atkinson asked for a we are now deprived of our noon-hour bell ringing on account of the ill health brick pavement on College Avenue, and the board offered to pay haif the cost of the old bell ringer, Mr. Emanuel Fisher, who has held that office for many of the same. After considering other years. It is something strange to matters of little interest and less imstrangers to hear the bell ring at that

hour, but to us, who have been so long accustomed to it, it seems strange not to Fight Between a Man and an Elehear it ring.

C. Hauser, who began farming a few One of the cases before the mayor acres of land inside the corporate limits of town last spring a year ago, was yesterday morning of more than orditroubled from the beginning by musknary interest was that of Rufus Reed, rats cutting down his young corn. He colored, who was charged with an affray tried various ways to destroy them, but all proved in vain until he made traps with Sell's little elephant, and the facts out of barrels and placed them along brought out at the trial proved that the the banks of the Salem mill race, on fight between the elephant and the which his corn patch is located. Then man was a severe one, and furthermore a wholesale destruction of muskrats began, and Mr. Hauser informs me that that the man whipped the elephant. since then he has caught over one hun-Reed, who is a tall, muscular colored dred of these mischievous animals. man, had been giving the elephant a Some of the negroes about here eat Austin Lane \$5; N D Robertson \$6; S few apples, handing it all except one, them and say they make a dainty dish. which he put in his vest pocket. While Every fall before cold weather sets in the Salem mill race has the water drawn his attention was turned the elephant off in order to clean out obstructions, and large numbers of fish are then reached out it's trunk and getting hold caught. The water was drawn off one day last week and a goodly number of the funy tribe were captured.

If Sells Brothers' circus don't have a crowd here on the 10th it will not be from any lack in advertising. Every available place in the two towns in billed, and all along the different roads for miles the paste slingers have plastered every blacksmith shop and cross roads store; every child in the towns has a descriptive card of some animal. and six newspapers in the county have heralded its coming.

A few days since, while conversing with a gentleman who was visiting this place, he jocosely remarked that ours was a finished town. Not taking the hint, I asked him in what respect was it finished. "Why," he said, "there are no more houses being built; the town is finished." Now, if that gentleman could see the fine residences of Mr. W. T. Vegler and Dr. C. J. Watkins, just being completed, the large number of neat cottages recently put up in the western part of town by the Messrs Fogle Bros. also a large number recently erected by the same gentlemen in the northeastern part of town, the large Arista cotton mills of the Messrs Fries, the cotton gin and bone fertilizer works of Dr. J F. Shaffner, the spoke and handle factory and shuttle works of Mr. Peel, and numerous other improvements, all of which have gone up since then, he would change his mind about its being a finished town and come to the conclusion that it was just being com-

menced Dr. E. Rondthaler left for some of the Northern cities on last Thursday, and will be absent two or three weeks. Miss Annie Crist, one of Salem's

young lady teachers, has gone to High Point to teach in the family of Mr. Hamner. Miss Carrie Jones, another Salem young lady, is also at High Point, engaged in teaching in the family of Dr. Jones
