IS ISSUED MONTHLY, at \$2 per annum in advance, contains not less than thirty-two large double-column pages of reading matter, bound in handsome covers, and in typographical execution will not be surpassed by any agricultural Monthly in the country.

Being determined to do whatever energy will accomplish in making the FARMER worthy the support of the intelligent planters and farmers of North Carolina, and desiring to introduce it into every county in those States, we wish to employ active agents at every Postoffice, to whom the most liberal inducements will be offered.

Published at the Capital of the State.
DAILY, SEMI-WEEKLY AND WEEKLY.

NEW ARRANGEMENT.
THE RALEIGH SENTINEL HAVING passed under the Editorial management of the undersigned, it will from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the men and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

THE LATEST NEWS
From every quarter, both by mail and telegraph, will be carefully collated and presented. Full and correct market and financial reports will be given. And, in one word, no effort will be spared to make THE SENTINEL, in all respects, a reliable FIRST CLASS NEWSPAPER.
