#### City Has Income of More Than \$200,000; About \$160,000 Collected Now

the approximate sum of \$160,000. These tleares in view of the many very excellent no means on the verge of financial even threatened with such

sum that has been paid hathe treasury to the present date mades a good percentage of the and also practically all of cense taxes, amounting costs in cases tried, all of treasury. court costs in the course unt to approximately was over \$10,000, for the June 30, 1910, the

mount thus collected will probably

fun over the \$10.000 mark conside-

sources of revenue which taken in a into the ctly treasury to date | lump, bring in about \$7,000 annual-

> The total revenue from taxes property, real and personal, and polls, is estimated at \$160,000, and of this amount between 2-3 and 3-4 has been collected to date, making a handsome sum when viewed as

These figures, however, are only one side of the matter, representing the assets of the city only. Against this \$202,000 must be put down the ever-increasing cost of runnig a growing city like Charlotte, beginning with the \$70,000 nterests account which takes precedence over

all other expenses. The old town is far removed from chaos yet awhile, and an occasional review of assets is at least productive of a feeling of satisfaction that the city is still one of the biggest taxpaying cities in the State and each year handles more mony for munici-Last year the revenue from | pal purpose than perhaps any other town in North Carolina, with a possible single exception, though the figures are not available that would

All Cattle Hogs, Sheep, Etc., Killed in the City Inspected Before and After Slaughter, Assuring Quality of the Meat Sold in Local Markets

-Superintendent Joe Klouse on

That the abattoir is a very useful

and valuable institution-more valua-

ble indeed than nine out of ten citi-

zens realize-is attested to by the reports of those in charge of its work-

ings, covering the period since the

Alderman Joe Klouse, who is now in

charge as superintendent of the work

at the abatoir, "to know the service

that this branch of the city's works

watch on every head of cattle, on every hog, sheep or lamb that is of-

fered for slaughter, and of course all

of the meat sold on the local markets, except that shipped western meats, pass through the abattoir for slaughtering. We not infrequently

pick up a fine looking cow that shows

signs of tubercular infection, remove

the skin, send a check to the owner for this, and throw the entire cow,

minus the hide, into the furnace, whree it is burned up for fertilizer. Only a few days ago this very thing

"Again there are brought to the

upon by others of their kind, or ani-

mals which die from various causes.

but all are burned in the furnace and

'So it is evident that the abattoir

is serving a good purpose. No meats

go through that institution except

such as are absolutely, and beyond

all doubt, altogether fitted for table

The fct is made clear by Mr.

Klouse that the abattoir is certainly

stablishd, and it works as a barrier

to every pound of undesirable meat

coming this way, and effectually

holds up all such, which is consign-

ed to the furnace, and the people are

#### TAR HEEL ARTISTS AT STAR THEATRE THIS WEEK

The public, and in particular ances, will be interested to know that at the Star this week are apnearing two North Carolina artists who hve won fame in their specialties in the vaudeville stage over a large section of the country. These are Dlisworth and Hentley in a snapstrument over 300 years old which they make use of in this act. The other attractions include the LaCelles in dialogues, songs, etc, and the moving pictures.

> When Robert Lynch, of Washington, Ky., and Miss Pansy Bennington, of Nicholasville, burried breathless into the office of Judge G. W. Coulter at Danville, Ky., yesterday afternoon it was to impart the intelligence confusedly that they wished to get married and had only five minutes in which to catch a train. Judge Coulter performed the ceremony in exactly forty seconds.
