#### Two Letters That Tell The Tale Williamston, N. C., March 1, 1904.

Mrs. Joe Person, Dear, Madam: Has your Remedy

ever been introduced in Davie county? Now I have a friend there who needs your medicine, and if you are not too busy I want you to write to her about it, Mrs. ——, and try to induce her to use it. Nearly twelve months ago I was troubled with bilious colic and dumb chills and also general weakness, when a friend induced me to try your Remedy. I used one-half dozen bottles, and a cure was the result. I do not mean it gave "temporary relief." but a permanent cure.

Yours truly, J. F. CARTER.

Williamston, N. C., April 8, 1904. Mrs. Joe Person:

Yours of recent date came duly to hand. In reply would say I have no objection to your publishing my letter, if you think it would help you in any way. Your Remedy is all right, and I wish for it a sale of a million bottles among suffering humanity, and if there is anything I can do to help bring that about, I shall consider the opportunity a privilege. Is there any argument against one's experience? Surely not. Well, your Remedy did for me what the M. D's and other medicines failed to do, so I can conscientiously recommend and will not hesitate to speak of its merits to my friends. Wishng for your success in your work, I am Respectfully yours, J. F. CARTER.
