Brooklyn today and followers of the National League champions were on the anxious seat at once in fear the injury might be serious enough to keep the dashing captain of the Giants out of the world series. It was soon learned, however, that the spiking was a slight affair and that Doyle would not be incapacitated. Manager McGraw had his regular line-up on the field today and the team with cold pitchers in the box, except at the finish, won the game from Brooklyn. The Giants showed better form today than in most of their games this week, playing a steady game, but as a whole did little at the bat against Rucker. Murphy and Herzog, however, showed effectively with the stick.

Mrs. T. A. Town, 107 6th St., Watertown, S. D., writes: "My four children are subject to hard colds and I always use Foley's Honey and Tar Compound with splendid results. Some time ago I had a severe attack of la grippe and the doctor prescribed Foley's Honey and Tar Compound and it soon overcame the la grippe. I can always depend upon Foley's Honey and Tar Compound and a measure of good results." Bowen's Drug Store. e-o-d

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature
You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.
Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tin granules, easy to take.

Now, Really, Harry, Jeff Doesn't Mind It A Bit

By "Bud" Fisher

Brooklyn, Sept. 2.
Dear Mr. Fisher—
I have read Mutt and Jeff for two years and when Papa don't bring the paper home I can't eat but I think it is a shame the way you let Jeff get beat up so much. He always has a black eye. I feel sorry for him. You are the only one who can stop him being hurt which I think you should do. Let him be happy for a while.
Yours Sincerely,
Harry Friend

YOU SEE, HARRY, IT DOESN'T HURT HIM. HE'S ONLY A PICTURE
