NEW ORLEANS COTTON

10.30

NEW ORLEANS, Oct. 23.-Cotton futures opened steady unchanged to 2 oints down compared with the last cices of yesterday. Cables were somehat better than due, but the failure of gest to materialize in the western belt offset them. The forecast promised fair and warmer weather in the western beit and fair weather in the eastern belt. which stimulated selling after the call. at the end of the first half-hour of business prices were 7 to 8 points under esterdays close. The market was dull and easy from

the middle of the morning on and disalayed no recuperative power. At the same time bears were not aggressive and made no attempt to put pressure on the market. Both sides appeared to be maiting on the approaching ginners' fgures from the Census Bureau. late in the morning rumors of a failure in lenna and of a repulse of the Bulvarian forces by the Turks caused sell-

ing to increase moderately. At noon prices were 9 to 10 points under yesterday's last quotations. New Orleans Cotton Futures.
