WITNESSES TRIED TO LEAVE THE CITY

Solicitor Parker Active In The Whiskey Cases Against Wilson And Osborne

The charge of retelling against L. O. Wilson and E. O. Osborne will be heard in the city court Saturday morning and promises to excite more than ordinary interest owing to the characters of the cases as well as for other considerations.

Mr. Parker, however, did not openly state to the court his own experience in working up the case, but it develops that the three witnesses against the defendants had quickly left the city after the warrants were served on both Wilson and Osborne.

The witnesses are all young men, Jim Morris, Luther Carter and Floyd Alexander. They had reached Columbia last Sunday and it is the belief of officers that they expected to get farther than this but for the interruption.

MR. ALLMON TO OPEN A DANCING SCHOOL

Prof. W. H. Allmon, who came to Charlotte some time ago engaged to teach a special dancing class, has made arrangements to open a dancing school for the general public in the Davidson building over Belk's hall, which he used 20 years ago for the same purpose.

Jordan & Co., the enterprising druggists, say that their plan of selling at half price the regular 50 cent size of Dr. Howard's specific for the cure of constipation and dyspepsia, and guaranteeing to refund the money if it does not cure, has been the greatest success they have ever known.

NEW THEATER WILL BE READY DEC. 16

The vaudeville theater which is being built on North Tryon street, of which Mr. Bonfoey is the architect, will be completed by the 16th of December. This will mean much to the theater world of Charlotte, as it is the only vaudeville house in the city.

An Aid to Memory.

(Detroit Free Press.) J. M. Callwell, in "Old Irish Life," tells a story of a young peasant woman, Sally Sweeney, who used to walk into Galway twice a week to do shopping for her family when they lived in the country.

Likely Story.

(Detroit Free Press.) George Horace Lorimer of Philadelphia is a champion of scientific management, and at the Franklin Inn Club he said the other day: "Scientific management, the bonus system, piece work—all these are very good. They remind me of a story."

"In a certain naphop all the men were paid by the hour. Discipline was lax there. The output was meager. One day as a workman came from the shop he held up his hand to a passing trolley car, the car stopped and waited for him, but he did not run to-board it, nor did he increase one iota his leisurely stride.

Salts or Pill? NO! "CASCARETS"

If Constipated, Bilious, Headachy, Stomach Sour, Get a 10 Cent Box of Cascarets - Take One Tonight.

You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets work while you sleep; cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the intestines and bowels.

A cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet, liver and bowels regular and head clear for months. Don't forget the children. They love Cascarets because they taste good—do good—never gripe or sicken.
