Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove That You Are Curable.

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally. I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof of test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is ingive herewith some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of write to me for the free medicine will and I will be glad to send you some of trated medical book, which describes it if you will write me the numbers of these diseases thoroughly. I will also write Desgan Building, Chicago, Ill. You you a letter of diagnosis and medical promise me nothing; you pay me noth- advice that should be of great help to ing for it. All I ask, so there shall be you; but in order to do this I must no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that trouble you, and your age, and I will you take the medicine according to the promptly carry out my promises. Show directions I send you. It is my way of an inclination to be cured and you will getting publicity for my medicine so be. that it will become widely known.

You will agree, when you have used it that it dissolves and drives out urio acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly It reconstructs the blood and nerves so that you soon feel healthler and more vigorous, sleep better and eat better and have energy throughout the day. It does all this and yet contains nothing injurious and is bsolutely vouched for according to law. Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is

duction to the bar of Charlotte,

He is expected to be in Charlotte for the first court of the series about the middle of January, when a civil term will be held. It is possible, however, that Judge Allen may effect an exchange of courts with some one of the circuit judges who live in the western part of the State, this being a question of pure surmise, however, though this plan has been not infrequently adopted and is a welt recognized rule with the circuit court judges. Nothing has been ascertained as to Judge Allen's plans, however, and it is accordingly expected that he will be in Charlotte at the opening of the first term of Superior Court in the new year.
