GREENSBORO BANKS MAKE DIVIDENDS

Three Institutions Mail Checks To Stockholders—Other News From The Gate City.

(Special to The Chronicle.)

GREENSBORO, Dec. 31.—The Greensboro banks will today mail out checks aggregating \$28,000 to their stockholders, the amount representing a 4 per cent semi-annual dividend. The banks are the American Exchange National, which will pay out \$16,000 on a capitalization of \$400,000; Greensboro Loan & Trust Co., which will send out \$8,000 on a \$200,000 capitalization, and the Greensboro National, which pays \$4,000 on a capital of \$100,000. The Home Savings Bank and the White Oak Bank declare annual dividends of 6 per cent in July. The three banks mentioned paid \$56,000 in dividends to their stockholders during the year which closes today, a similar amount as that sent out today having been declared in July.

It is agreed among all men who handle money in Greensboro that there has been a general activity in all lines of business during the year and that the record of the last three months has been almost marvelous. Bankers declare that at no time in their memory has money been freer, demands for loans on good security greater and a general evidence of activity so evident. It is said, however, that deposits have also shown a large increase. All believe that the usual activity in business circles will extend into the new year.

A company of local physicians will tomorrow open an uptown emergency hospital in a commodious and well-arranged suite of rooms on the second floor of a building in the heart of the city. The hospital, equipped with operating room, X-ray room and all modern appliances of a hospital, will be used principally for emergency cases and for minor operations and will in no sense be a competitor of St. Leo's Hospital. It has facilities for comfortably caring for seven patients and will be constantly in charge of physicians and nurses.

It cost "Major" Garland, a negro, just \$14 for shooting the pet pigeon of a white child in Greensboro yesterday. Garland and another negro were wandering around carrying .22 caliber rifles when they espied a pigeon in the yard and notwithstanding the child's vigorous protest Garland is alleged to have drawn a bead on the winged pet and killed it. Complaint was made, the negro was arrested and Garland yesterday

Lung Trouble Yielded To This Medicine

Consumption is a flattering disease—that is one of its chief dangers. It has to have its roots in the lungs. If this trouble is present, it is no time for trifling. If a cough is present that keeps you anxious, such as fever, or night sweats, weakness and loss of appetite, and perhaps some raising of mucus—do the sensible thing—take Eckman's Alternative as Mr. Bettersworth did.

Bowling Green, Ky., R. No. 4.

"Gentlemen, I wish to say for your Alternative that I believe it to be a medicine of unequalled value for Bronchitis and Lung trouble. The Spring of 1908, I had a severe cough for six months. My doctor recommended me, but no results came for the better. I had night sweats and felt weak. I could hardly do anything. But at last, James Deering, of Glasgow, Scotland, insisted that I try your medicine. In one week's time there was quite an improvement in my condition, and after he had taken several bottles, I felt as well as ever in my life.

"I desire the world to know that I fully believe that your Eckman's Alternative will cure any case of lung trouble if taken before the last stage. I will gladly write personally to any party wanting information in regard to your wonderful medicine."

(Sworn affidavit)

A. C. BETTERS WORTH.
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Whooping Cough and Lung trouble and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale by leading druggists. Ask for booklet telling of recoveries and write to Eckman's Laboratory, Philadelphia, Pa., for additional evidence.
