NEW ORLEANS COTTON

NEW ORLEANS, March 14.-Cotton futures opened steady 2 points up to 2 lown. Cables were better than due and he weather map was decidedly unavorable, too much rain being shown the cotton region. The market displayed little buying power in the early ading. On the other hand bears were not aggressive. Moderate buying of overs by shorts was the chief support. the forecast indicated that a cold wave considerable intensity is following the germ that has swept the cotton belt and it was considered that the cold rould be as unfavorable as the rain. t the end of the first half-hour of business prices were 1 to 3 points over

esterday's close. around the middle of the morning the sarket developed a sagging tendency mder dullness and lack of bullish support. The small early advance was lost APossibilities of export sales checked wards will be in the uptown district. precast of small mill takings for the reek, but no great amount of activity rose and scalping shorts continued to cept profits. At noon the trading months were 2 to 5 points under the last notations of yesterday.

WALL STREET

NEW YORK, March 14.-Wall Street's reception of the modified Harriman disbetter cables than expected and con-solution plan was disappointing to bull the South. There was traders. Southern Pacific was under realizing but offerings were pronounced pressure. The whole list sagged and although the market showed some recuperative power when pressure was relaxed for a time, prices declined patern belt was followed by rather again before noon on light offerings. Bonds steady.

Announcement over night of an agreement on the Harriman dissolution plan caused acute weakness at the opening of the market today in Southern Pacific, which, in the opinion of some traders, will derive least benefit under the proposed arrangement. The stock declined 2% to 98%, a new low price for the movement. The whole market was

Lack of support for important properties stimulated further selling for both order of the day.

Trading in the standard stocks was nominal between 12 and 1 o'clock. The tone, however, was steadier. American Citrus declined 44.

Room traders were idle in the afternoon, awaiting developments in the Harriman court proceedings.

Speculators put a favorable construction on the news that there had been another mesting of the Union Pacific board at which it was believed the revised plan had been approved. Union Pacific rose to 150%. Rallies elsewhere ran from 1 to 31/2, which placed the majority of the stocks above yesterday's final figures. Southern Pacific fell back again before the close.

London Stocks. LONDON, March 14.—The stock market was dull, the Berlin situation and

activity. American securities opened quiet and unchanged. Prices moved irregularly until Southern Pacific declined sharply list sagged. Closed easy.

five Hundred Pamphlets Have Made Available For Voters Of City

Five hundred copies each of the ommission charter and the new city charter are being distributed from the city hall to citizens interested in shall adopt, and with the arrival of the printed copies Thursday interest in the election on April 8 is receiving a tremendous impetus and serious discussion of the new charters is the

The war may now be declared to be officially on, and the two factions are opening up with a very creditable artillery fire of heavy guns. The cohorts have thus far effected little organization of their forces, however, for systematic work, but it is predicted that there will not be a section within the city limits that will not at one time or another revereberate with the noise of a brass band and

the sound of stump orators' voices. In business circles the commission form has a decided lead and the prospect of obtaining the commission form of government appeals strongly to the majority of local business men. The campaign, nevertheless, is openthe approach of the holidays checking ing up with strenuousness that will eclipse any recent political movement that the city has passed through, while speculation is running rife as to on Wall Street selling. The rest of the what the returns will be from the outlying districts when the ballots are counted. Leaders on both sides are laynig claim to this large vote which AND PROVISIONS will have much weight in deciding the approaching contest, and many of CHICAGO, March 14.-On weather re- the speeches and meetings to be held ports wheat took a downward turn, will take place in the seven outlying wards of the city, while most of the campaigning in the four original

> drafted charter contants 89 pages. There were many calls for the charters today, most of those inquiring for copies desiring to procure one of evident that the citizens are going to do a great deal of thinking for themselves and that the two charters themselves will be more attentively heeded than much of the public discussion

bearing on the subject. The practical issues are the ones which appear to be drawing the attention of the majority of voters. These are not so much interested in the theory of the city government as they are in its practical application and in the part which the taxpayer himself is to play in the government May 20.70 20.0 20.671/2 20.721/2 when the city's financial burdens, paving bills and similar expenditures 10.70 are presented to the taxpayer for

As to the organization of forces which the two factions will effect soon, there is much public interest. It is believed that a thorough organization will be completed by both CHICAGO. March 14.-Butter steady; factions in the fight and that the campaign will be conducted in a way at to include and reach every voter in Charlotte. Politics, too, will play an making the fight one which will keep the eyes of leaders on both sides wide open and wide-awake throughout the campaign.

There is also much interest noted among voters as to what extent the turmoil. Many citizens believe, however, that the fight will be a good-natured one and that the contest will Eggs steady; receipts 16,693 cases; fresh at no time assume the aspect of a gathered extras 19 to 20; fresh gathered wild political wrangling and filibustering. The work ahead is a task that will enlist the strongest men on Rosedale, while Armuchee, Oostanueach side and the coming contest will ala and Resacca also suffered bring out a complete and thorough dissection of both charters before the people for their vote on the day of

MRS. ALBRECHT DIES AT AGE OF 78 YEARS

Mrs. Jean Albrecht died this morning at 7:30 at the home of her son-in-law, Mr. G. D. Heeseman, 402 Elizabeth avenue. Mrs. Albrecht was 78 years of age

and has been in declining health for the past year or more and two weeks ago her condition became critical complications developed and she grew worse rapidly. Mr. and Mrs. grew worse rapidly. Heeseman will accompany the remains to Orangeburg, S. C., this afternoon where the interment will take place some time tomorrow. Mrs. Albrecht was born in Germany. Her husband died many years ago. For three years or more she has made her home in this city. She is South Carolina. One son lives in Oklahoma.
