Both Dr. Alexander and Mr. W. C. Dowd claim their election. A number of irregularities have been reported, especially in the Senatorial fight. Some of these irregularities will be a basis for abundant proof to throw the vote of several precincts out if pressed. The matter is in the hands

committee to decide. The legislative ticket has been undoubtedly elected by a small majority. Throughout the entire town the regular Democratic ticket was badly mutilated by the voters for causes unknown. Had Charlotte done her part as she has done in the past there would have been no cause | for. for any close vote.
