Charlotte High School Josephens Daniels, Sec. of Navy Orator

Charlotte city schools will have their annual commencement Monday and Tuesday, May 18th and 19th. On Monday the commencement exercises proper take place in the Charlotte Auditorium. On Tuesday the Class Day exercises of the High School will be held at 11 a. m. in Hanna Hall. Distinguished Orator. Interest in this year's commencement has been aroused to concert pitch by the fact that a member of President Wilson's cabinet, Hon. Josephus Daniels, of North Carolina, is to make the commencement address. Mr. Daniels is to deliver an address at Davidson College at 12 o'clock Monday and at the Charlotte High School Commencement Monday night at 8 o'clock. The presence of this distinguished son of North Carolina at the commencement will be the occasion of a great assemblage of people representing city, county, and the vicinity of which Charlotte is the geographical and commercial center.

Supt. E. P. Harding, of the Charlotte public schools has arranged a program commensurate in interest, as far as possible with the prestige of the distinguished orator of the occasion. Facts of Interest. Of high interest in the city is the fact that Maud Craig Carson, second daughter of Mr. and Mrs. J. E. Carson made highest average, 87.62 and wins scholarship in Queens College. Also a fact of special interest is that Elizabeth Jamison, daughter of Mr. and Mrs. John F. Jamison, won the prize offered by Signers of the Mecklenburg Declaration of Independence Chapter, D. A. THE HARRIET NISBET LATTA WON BY K. A. SHRINER

The students at the Southern Industrial Institute decided Friday night that Charlotte adopt the Galveston form of city government. Spirited and instructive arguments were presented in its favor by Messrs. K. A. Shinn and J. E. Jenkins, and against it by Messrs. E. R. Stroupe and J. I. Gale. The committee, composed of Messrs. Sharpe and Gillespie and Mr. V. S. Woodward, decided in favor of the affirmative, and awarded the medal to Mr. K. A. Shinn. This medal given by Mr. J. F. Newell, was presented by Mr. David Owens in his inimitable way. Mr. Woodward then presented in a short, happy speech the following medals:

SCHOOL TEACHERS GET LAST CHECKS DURING THE WEEK
Smiling and jingling a tempting-looking bag of coin yesterday in his office in the city hall, Mr. A. H. Wearn, city clerk and treasurer announced that he would be ready for the nearly 100 public school teachers of the city this week, most probably the advent of the calendar day of May 20, so that the young women and the men teachers will be well provided with coin for celebrating the Twentieth.

"The checks for the teachers will be ready about May 18," said Mr. Wearn, but added that a definite announcement would be forthcoming later.

As a matter of fact these will be the last checks which the city will pay over to its teachers in the city schools until next October, except to those officials whose salaries run through the entire year.

The city schools will be in regular session on Monday but that will be the final day for formal classes for the school year in all probability.

The year has been a highly successful and progressive one and both teachers and pupils are experiencing now the joy of contemplating the high approach of the end of nine months of duty and work all performed.

Lakeview to Open Monday Night With Free Public Dance
The new amusement company which came forth from the chrysalis of the Lakeview, as Lakeview, will open Monday night. The public is to be the guest of Lakeview at a public dance in the big pavillion Monday night, all dancers, men and women, free. "Tango Tins" will furnish music, the tango and all new dances to constitute the program.

Lakeview is to be made one of the most attractive summer resort places in the state, the new company being alert and vigorous in endeavor. The pavillion is in fine shape. The management will arrange with "Tango Tom" to play two evenings in the week.

SONS OF AMERICA CAMP INSTITUTED IN THIS CITY

A local camp of the Patriotic Order Sons of America, the third oldest fraternal order in the United States, was instituted in the Odd Fellows' Hall here on Friday night by the district president, A. C. Barnhardt, the camp to be known as "Washington Camp No. 57 P. O. S. of A."

The origin and home office of this order is in Philadelphia, Pa. The Patriotic Order Sons of America was first organized here on December 10th, 1847; the membership in the state of Pennsylvania alone is now over 90,000. One of the leading objects of this order, among many other good ones, and one which makes its members proud is the fact that it believes in "America for Americans."

The following officers were elected and installed:

E. C. Dewees past president; W. D. Hooper, president; C. D. Frye, vice-president; R. A. Cochrane, master of forms; M. C. Barnhardt, recording secretary; R. H. Frame, assistant recording secretary; R. P. Hanner, financial secretary; F. A. Fridell, treasurer; C. E. Wood, conductor; J. W. Fulbright, guard; H. T. Gwyn, inspector; C. Beasley, right sentinel; E. E. Blanton, left sentinel; J. M. Massey, chaplain; T. B. Williams, G. D. Yarbrough and W. C. Harmon, trustees; after which the district president, A. C. Barnhardt, announced that Washington Camp No. 57 P. O. S. was fully instituted and ready for business.

The local camp of this old and well known fraternal order starts off here under the brightest auspices. It is the desire of every member to make Washington Camp the largest and liveliest camp in North Carolina. The slogan "Watch Washington Camp No. 57 P. O. S. of A. grow," is in keeping with the hustling city of Charlotte.

Rev. W. Hooper Adams Afternoon's Speaker
"Oliver Cromwell, or This Age's Need of a Revived Puritanism," is the subject of an address to be delivered this afternoon at 5 o'clock at the Y. M. C. A., by Rev. W. Hooper Adams, pastor of Westminster Presbyterian church. Mr. Adams will greatly interest those who attend, and those who heard him in his previous address to the association will be glad to know that he is active in speaking. Rev. Mr. Adams has specialized on church history and his subject would indicate that his address will be along his special line of study.

The association orchestra will assist in making the musical features of the meeting attractive. A cordial invitation is extended to all men to attend.

The speaker at the meeting for men to be held this afternoon at 5 o'clock at the new Ideal theatre, will be Mr. James H. Ross, of Ham & Ross. These special Sunday afternoon meetings are held under the auspices of the York-fellows Band of the Y. M. C. A.

FINAL INSTRUCTIONS TO CORN CLUB BOYS ABOUT 20TH PARADE
County Demonstration Agent R. W. Graeber is sending out a final letter to the boys of the Mecklenburg Corn Clubs relative to the part they are to take in the big parade of May 20.

The Letter.
Dear Corn Club Boys:
Many of you remember the good showing our club made in the parade last November, and because we were able to command attention we have been invited by the Mecklenburg Declaration Society to take part in their grand parade on May 20th.

Since we have received this invitation we should endeavor to make a showing that would be a credit to our organization. We also wish to demonstrate to Vice President Marshall, who came from the "Corn Belt," that we also have a few young farmers who can show the world how to grow corn.

Our parade on May 20th will be on horse or mule back. Every boy will be expected to wear blue overalls, a big straw hat, and a large red handkerchief around his neck. Each boy should get a small flag. We wish to make the club look uniform.

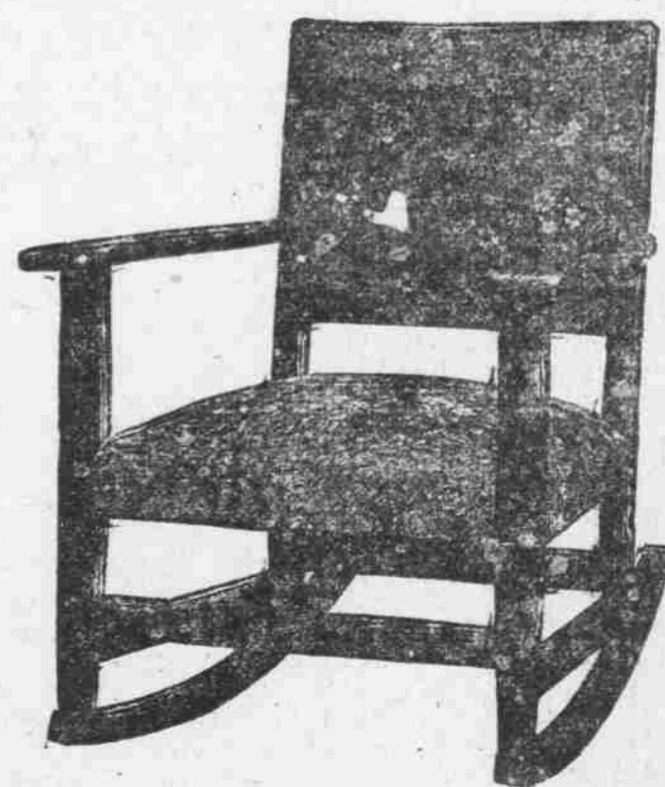

The parade will form in Dilworth. If you ride down South Tryon street we will have guides to direct you to the street where line is forming.

Be on hand strictly at 10:30 a. m. The parade will move at 11 o'clock.

Very truly yours,
R. W. GRAEBER,
County Agent.
