ALL CREWS PRACTICING.

By Associated Press. Foughkapsis, N. Y., June 19.—All the college crews entered in the inter-collegiate regatta to be held here June 28 are now on the Hudson, the rowing camps being completed by the arrival yesterday of the Leland-Stanford oarsmen.

Coach Rice of Columbia settled on his 'varsity and junior' crews last night. The Pennsylvania junior crew defeated the 'varsity' crew in a four-minute brush today and Coach Nickalls decided to put the two crews in a four-mile race this afternoon to decide which shall be the 'varsity' crew.

Courtney sent the Cornell crews down stream last night for a nine-mile row. The Syracuse crews did not go on the water.

"No man can acquire money without making sacrifices," remarked the man who had made his. "No, not even when one marries for it," replied the man who had tried the experiment.

ALL CHARLOTTE GOLFERS ARE ELIMINATED

(By a Charlotte Golfer.)

Interest in the semi-finals played today continues with increased interest. Notwithstanding the elimination of yesterday and much interest centers on the match play of Whitney and Bush, both of New Orleans. Both of these players are excellent and show a degree of conception of the real points of the game, that is commendable. Bush is considered one of the most graceful players on the course and one to watch his game is impressed with it. His faults are slicing and hooking, but he gets great distance in his drives. Unfortunately he seems unable to overcome them. His strongest point is his brassie shot, which is simply marvelous for distance and directness. Strange that he hooks and slices in his drives and plays so well with his brassie, the shot McNamara says is the most important in the game of golf.

To watch Nelson Whitney, present champion, is a treat. He is a graceful player, and as steady as the pendulum of a clock. He never comments on good or bad plays, but uses his head all the time, which proves he is a golfer of the right make. His game is right for the center of the course all the time. His faults are few, if any, in the game for he plays all of his shots well and with deliberation, and much of his success is due to this. They say he is superstitious about his clubs and hat, especially when he is playing in a tournament. When he once starts the game with his hat in a certain position he never takes it off or changes its position.

Another promising young golfer is R. P. Jones of Atlanta, the young man who eliminated W. M. Paul yesterday. He, for one so young, is remarkable, and the golf world will yet hear from him, for he is destined to be a champion.

On the East Lake course yesterday Mrs. S. L. Munger beat Miss Alexa Sterling, present lady champion, in a friendly match 1 up in 7 holes. Darkness called the game off. When one considers that Miss Sterling has been playing for six years under one of the finest trainers in the south, Stewart Maiden, Charlotte has reason to be proud of Mrs. Munger's playing. Miss Sterling has a drive that is remarkable for one so young, using only one drive and one rrasie shot to land her on the first green, a distance of 400 yards. She also takes one iron shot to land on the 11th green, a distance of 175 yards. This gives one an idea of this expert player. She is auburn-haired and full Scotch descent. The East Lake course is the finest to be found anywhere, the club house alone costing \$85,000, and is a fire-proof building. In laying off the grounds they had the valuable assistance of Mr. George Adair and Mr. Stewart Maiden, who visited Europe for the purpose of getting all the latest details. These have all been put into this course and it is full of sand pits, traps, water hazards, and difficult greens to put on. The view from the club house overlooks a beautiful lake and the grounds inviting the criticism of the most critical eye. Nothing has been left undone that could be done to make the course perfect. It costs \$10,000 a year to keep up the grounds alone. The course is 3,264 yards, only 401 yards longer than Charlotte's.

At the close of the semi-finals Nelson Whitney defeated R. G. Bush, Jr., both of New Orleans, 6 up, and C. L. Dexter of Dallas, Texas, defeated Perry Adair, Atlanta, 4-3. R. P. Jones, Jr., defeated W. M. Paul, 3-2. When Adair went up against Dexter he went up against the champion of Texas. He is somewhat on the style of Whitney in playing, and when these two meet in the finals it is going to be Greek meet Greek. I may be mistaken, but if Dexter keeps up the pace he has set, he will beat Whitney. It will be a beat for Dexter or he will go all in pieces. There will be a half way grounds, a severely fought contest or a slump that will be appalling. I saw Dexter after the finish and he was as cool as an autumn evening. He is very tall and stoops over quite a good deal in playing—but he hits them, you know it, for a straight shot and distance. He is quite affable, but like Whitney, has little to say.

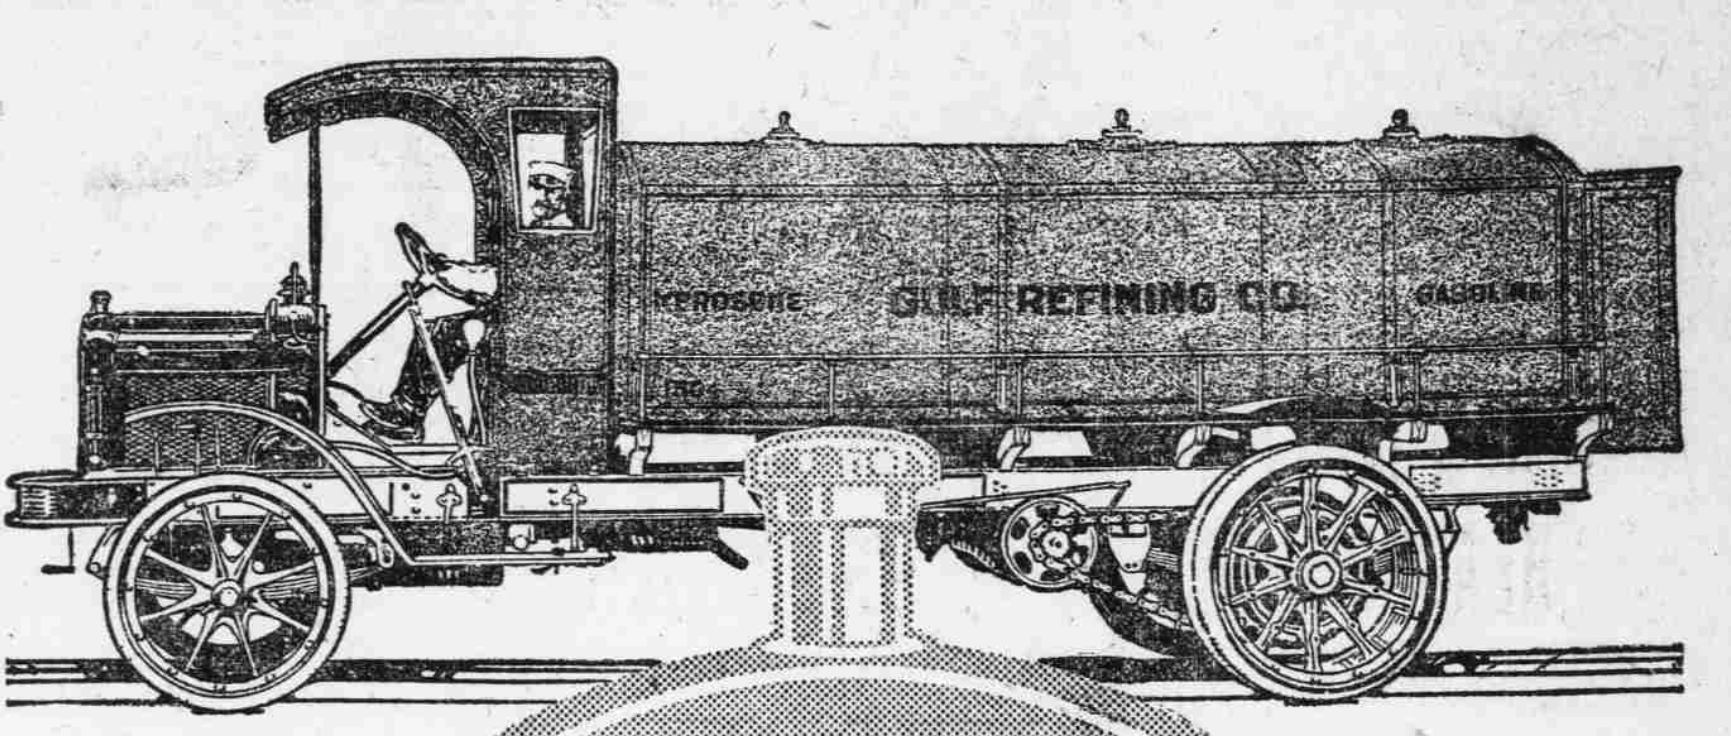

Young Adair deserves much credit for staying until the close of the semi-finals. While only a boy in years he will also make his reputation. When you think of Atlanta having the lady champion, Miss Alexa Sterling, and the prospective ones, in Adair and Jones, it reflects much credit to the credit and skill of Stewart Maiden, professional of the East Lake course, who is the right man for the place. Quiet and unassuming he has the respect and admiration of all whom he comes in contact with. It's up to Dexter to beat Whitney today in the finals. Will he do it?

SLUGGERS DEFEATED. Special to The News. Dixie, June 19.—In a pretty game of baseball here yesterday afternoon, Dixie defeated the Charlotte Sluggers by the score of 4 to 2. The game was right much of a pitching duel between Muse for Charlotte and Alexander for Dixie, with the local boy having the better of the argument. Charlotte was able to secure but four hits off the local heaver while the visiting pitcher allowed seven. The hitting of Williamson and C. Brown along with the pitching of Alexander featured for Dixie while the pitching of Muse and the hitting of Jones and Joseph featured for the Sluggers.

R. H. E. Score: Charlotte Sluggers 2 4 6 Dixie 4 7 1

Batteries: Muse and Jones; Alexander and J. Brown.

"Did Blabson's love affair have a happy ending?" I presume so. I saw his former fiancee the other day, and she must weigh at least 200 pounds. "Do you suppose that makes Blabson happy?" "At least it doesn't make him unhappy. You see, she didn't marry Blabson."—Birmingham Age-Herald.

REPEAT ORDERS from FIRMS WHO KNOW MOTOR TRUCKS. THE great oil companies of America were one of the first big lines of business to use motor trucks extensively. Naturally, then, these companies are probably more familiar with the good and bad points of the various motor trucks than any other important line of business. The Gulf Refining Company has purchased 135 White Trucks. In May, 1913, the great oil companies operated a total of 150 White Trucks. In May, 1915, these same oil companies had increased their White Truck equipment to more than 470, an increase of over three hundred and twenty White Trucks during the past two years. THESE FIGURES SPEAK FOR THEMSELVES. J. W. Rock, Mecklenburg Hotel, Charlotte. SIX GREAT GOLFERS DEFEATED FOR AMERICAN CHAMPIONSHIP.

Walter Hagen.

Alec Smith.

Wilfred Reid.

Gilbert Nicholls.

Francis Ouimet.

"Chick" Evans.

These six golfing stars played in the match just closed to decide the owner of the open golf championship of America. But they all lost. Jerome D. Travers, 53 years old, breezed through to his goal, playing remarkable golf. When Travers made the turn, he had a count of 39 and the famous golfer realized that it would take 37—perfect golf—to make him champion. Two bad strokes made things look dismal for him, but he held out a twen-
